War of the Clones

Marilyn Kaye

War of the Clones Marilyn Kaye

Read the exclusive tell-all about human clones in our midst!

Amy knows better than to believe a tabloid newspaper's far-fetched headlines. But when one of these rags begins a series of reports on the existence of human clones and their desire to create a master race, Amy takes notice. This is definitely not just another sensational story—even if others think so. But what is truth and what is fiction?

It's a case of mistaken identity. It's a case of misplaced loyalties. It's a case of multiple betrayals. And Amy quickly finds herself in the middle of a bitter and ugly struggle for dominance.

Huda says

Looking at this series reminds me of a good old friend (:

I'm so glad that after 9 years or so, I still have the same "wow" feeling.

Liz Pitcher says

I started this series in 6th grade and stopped reading with only two to go! It feels about time to finish it. Not bad, except for the occasional moments that are so unbelievable that I have to roll my eyes.
