Wings of the Hawk Charles G. West

An action-packed adventure of the Old West from the author of *Trial at Fort Keogh...*

REVENGE CAN TURN A BOY INTO A MAN...AND PUT A MAN SIX FEET UNDER

At just fourteen, Jim Tracey found himself without a friend in the world, running from the Indian war party that had killed his father. But he was saved by a pair of grizzled old fur trappers, and he learned to fend for himself and live off the land.

When Jim finally returns home to St. Louis, he finds that there was more to his father's murder than he'd thought. Though the Indians did the killing, someone else did the planning--someone too close for comfort. Now young Jim must untangle a thick web of lies, and when the dirty dealings come to light he will come face-to-face with a murderer. But if he tastes the vengeance owed him, it won't be as the boy everyone knew as Jim--it will be as a man named Trace McCall...

Wings of the Hawk

As in all of West's stories, he has chosen a subject that must have a smidgen of truth to it! His tales of the West are GREAT!

Randy says

Orphaned at fourteen by Indians, Jim Tracey learns mountain man survival from two old trappers.

Katie says

The publisher calls this "Historical Fiction" but it's really a western with bigger words....
