Bacaan yang lumayan. Dan sejujurnya membuat saya penasaran bagaimana rasanya tinggal di Alaska yang dingin sepanjang waktu, sepi namun udaranya segar dan dimana orang2nya saling mengenal satu sama lain.

Melissa Marlow says

Red hot for those of you that like a luring romance. Kay, a city reporter that writes about sex, is up tight and not so experienced in the field that she writes about. She doesn't understand what it is that makes people want it so bad.

That is until she meets Quinn, who lives in Alaska, a bachelor that is looking for a wife. He places an add with her magazine to lure woman, who want to marry, to Alaska as an attempt to find wives for his friend and himself. This sends Kay on an adventure to Alaska.

Does she get more than what she bargains for? You will have to read it to believe it.

Penampilan boleh saja "dingin" tapi sebenarnya Kay membutuhkan banyak hal "panas". Hanya Quinn dari Alaska yg mampu membuat dunia Kay jungkir balik. Di balik semua perbedaan gaya hidup dan keluarga mereka, Kay menyadari bhw banyak nilai-nilai lebih seperti kekeluargaan di Bear Creek, yg nyaris tidak ada di New York, kota dibesarkannya Kay.

Ketegangan seksual antara Kay dan Quinn adalah kunci utama novel ini. Bagi fans yg menyukai romance dgn sensualitas tinggi, novel ini rekomendasi utk Anda. Saya suka sekali adegan *massage* yg meningkatkan temperatur tubuh tokoh utama (dan termasuk yg membaca).

Sayangnya, mirip sebagian besar Harlequin, novel ini kurang greget di penokohnya maupun plot cerita. Kay dan Quinn terus-terusan galau didera oleh perbedaan *lifestyle* mereka, tahu satu sama lain tidak cocok tinggal di kota masing-masing. Belum lagi ketidakpercayaan diri Kay yg lumayan kronis gara-gara ucapan mantan yg brengsek. Dan klimaks cerita agak mengada-ada supaya Happy Ending. Ya sudahlah, namanya juga romance.

I wanted to pass some time, so I picked a random ebook that I had. I finished this in a few hours. This was such a quick read but that was because I skipping a lot trying to get to something interesting. I thought Quinn was putting a lot of his lust into this love and all because he just wanted to protect Kay. Nothing really about who she was, but just his urge to 'protect' her. From what? The moose?

It's suppose to be a fluff story, so I expected to not gain a lot, but I was more interested in Meggie or the other bachelors rather than learning about Quinn. He seemed slightly daft. And there was nothing compelling about Kay. Some scenes were good, but the ending just didn't do it for me and that affects everything.

Donna says

Cute story, a little predictable and irritating at times....

Lisa Richardson says

There was just too much corny dialog. This is the second time I've read it and I know why I didn't remember alot. I found myself rolling my eyes, a lot. the reason I gave it 2 stars was because I really enjoyed the setting. I could see the snow and feel and smell it. There was a comfortable feeling in the description of Bear Creek, enough that I'd like to visit!

This was actually a really sweet romance novel set in a nice small town in Alaska; a big city girl meets small town short of things. The characters were okay, although the ones in New York seem less developed than

those in Alaska, but then again, the author may have done that on purpose. One of the less terrible monthly romance novels.

Sharon says

Okay this was better than #2 and 3 (which I accidentally read first.) It had steamier hotter sex scenes and was a full novel, not a novella. Not a requirement, but it just lets you peek into the lives and characters more, not to mention building the anticipation! Plus, the man is smoky dreamy in this one!

Sharlane Naidoo says

hot as ice

Pauline Destinugrainy says

Jadi ceritanya gini, Quinn mencari istri yang bisa diajak hidup bersama di alam liar di Alaska. Trus dia pergi ke kantor tempat Kay bekerja untuk memasang iklan. Sebelumnya di pesawat, Quinn dan Kay sempat bertemu. Keduanya saling tertarik, sampai sempat membayangkan yang iya-iya. Sayangnya pertemuan itu harus berakhir.

Ketika kantornya Kay mengutus Kay ke Alaska, baik Kay dan Quinn merasa inilah kesempatan mereka untuk bersama sebelum Quinn menemukan istri. Yang seru, Kay yang selama 27 tahun belum pernah merasakan "big O" meminta Quinn untuk mewujudkan impiannya. Jadi jangan kaget kalau isi novel ini banyakan tentang panduan mendapatkan "big O". :D

Ohya novel ini juga memuat banyak khayalan panas ala Kay maupun Quinn. Yang saking hot-nya malah bikin jadi PHP karena hanya sebatas khayalan saja

Allison says

The guy was a little annoying with putting off the intimacy and what wilderness guy talks like that?
