Ashlee Tominey says

A new favorite before bed with my tuggy tuggy huggy huggy boy.

Nicole says

Silly but kinda dull

Casandria says

ADORABLE!

Bonnie Ferrante says

This small board book is illustrated with brightly colored, comic illustrations on red, purple, and orange backgrounds. It features an adorable little baby in a diaper with a single curl on top of his head. The illustrations tell as much of the story as the words do.

The first page says, "Tuggy, tuggy." It shows a sad baby tugging on his father's pant leg. His father is carrying a basket of laundry. On the second page, the baby holds his arms up and asks, "Huggy, huggy?" From that moment on, his mother and father and other members of the family joyfully hug, kiss, and play with the smiling baby. At the end, mom, dad, baby,, and dog are all hugging on the rug. Is a double spread illustration of the baby smiling widely and holding up his arms, "Will you give me a kissy and a huggy?" At the end, there is a double page about "more huggies and kissies" with eight small examples.

Huggy Kissy is delightful, both funny and sweet. My 19-month-old granddaughter loved it on the first read and insisted I read it three more times in a row. Every toddler loves to be hugged and kissed by his family. This wonderful story shows how the baby's family puts his emotional needs in the forefront. It is a perfect story to read while bonding with your little one.

Patricelli's little diaper baby is just adorable whatever he/she is doing. All the books that I've read are cute, and this one has some extra cute and funny pics, like when the baby snuggles the cat and the aunt who is squishy.

This is a board book. There are many other books by this author and you will enjoy all of them. This particular one is about getting hugs and kisses. I loved this cute book about showing love to those around you. My favorite page is the last one where it shows eight different ways to give a hug or kiss. I gave this book 5/5 stars. It is a perfect book to read with your child who loves hugs and kisses!

Another hit by the hit maker herself, Leslie Patricelli. How many kinds of hugs and kisses can you name?

Archit Ojha says

Delightfully colored with affection. This board book speaks of different approaches to demonstrate our love for others. Hugs, kisses, tugs, snuggles, tickles. The baby seems adorably joyous. Yes, he does.

Kimberly says

Well, now I REALLY cannot wait for my own little huggy kissy little person to arrive. <3

Laura DeLuca says

Today Huggy Kissy by Leslie Patricelli arrived in the mail. I told my son I had a new book for him; that immediately got his attention. He was super excited when he saw the cover – we have several of Leslie Patricelli's books already and he loves them! He insisted we read it right then and there, and had to read it 3 times in a row. It's a cute book about, of course, hugs and kisses - perfect for my little guy since he loves his hugs and kisses - and of course the bright colorful illustrations easily keep his interest too. (Personally I love the cover of this one because I am just that much of a dog person!) Also, it's a board book which is easier on my son's motor skills, and much more durable than a paperback for my destructive little 4 yr old. My kid loves his books, and Leslie Patricelli is definitely one of his top 3 favorite authors.

This is another cute book in the series. The only issue I have with it is that there is a picture of grandpa holding the baby upside down to hug him his "special" way. That was kind of upsetting.

Arsh Nair says

The cutest book ever. My son loves it absolutely. Each page lands us into a different huggie or kissie interlude. Quite charming. Love it

Scout Collins says

Cute book for ages 1-4. Short and simple with sweet rhymes.

Abby says

Huggy Kissy describes a handful of different shows of affection. Baby hugs parents, extended family, and pets, though issues of consent of physical touch are not considered. Illustrations are bold and simple. Words and sentences are fairly simple, but this book provides an opportunity to discuss relationships.
