## **From Reader Review The Photography Exercise Book: Training Your Eye to Shoot Like a Pro (250+ color photographs make it come to life) for online ebook**

**Diann says**

A beautifully written and illustrated book for any level of photographer that is looking to better see and understand photographic subjects. It is neatly divided into short "lessons" for easy practice and adjustments. It is a gem of a book.

This was a GiveAway book. I am grateful for the opportunity to review it and put Bert Brages principles into practice. Thank you.
