**Samira says**

SPOILER FREE

This E-book was great and it was FREE. I read this one on playbooks. It's a book that as a teenager you really a readout in like 1 day. I enjoyed this book but sometimes I was like 'wow did that really happen'. This book is about a girl who falls in love with a vampire. Besides that, the boy is a vampire the story and romance between them are nor like realistic. I don't wanna spoil anything but when you read this book you will get me. In the end, the books end with a cliff-hanger. This is something that I hate but again understand why the author did it. I will definitely read the second one cause I feel that then the things will finally start. more action and danger. As I said I enjoyed the book but it was a little bit boring. A little bit flat. I missed the action.

I recommend this book to

\*teenagers If course everyone can read this book if they wish but I think that 18+ teens will find the relation between the main characters a little bit absurd.

\* vampire lovers and gothic

\* Easy ebook readers and a FREE one --> GOOGLE PLAY BOOKS

**Elizabeth Barcikowski says**

**Ok**

Very nice a little too young of a girl maybe 18 instead of 16. Some of the scenes were a little too much.

---

**Rashkasa says**

I loved this book. the one thing I didn't like was that Jagger didn't tell Emily that he was a vampire until the end.

---

**ELIZABETH ULLOA says**

**This is a good teen romance**

This has to be the cutest vampire teen book I have read it was good reading at the ending you really want to no more .

---

**Lisa says****Good**

Good read . Bit of a lefthander. Not bad as books go. Would read again a time or two. Ok

**Jade Zex says**

Might have enjoyed the story a bit more if the word Goth or Gothic wasn't used in almost every sentence! It rapidly got annoying within a short period of time. I mean if you took out all the uses of the word Goth and Gothic and all of the extensive descriptions of the main character getting dressed and brushing her teeth and what everyone else is wearing the book would probably end up being like 20 pages long! Perhaps she could have used those pages to develop characters that weren't one dimensional stereotypes and an actual plot.
