Second favorite of mine! I enjoyed this book! Both Lucy and Bryan are very likable characters.

Lucy is my kind of heroine. Smart, feisty, confident, knows what she wants and wasn't afraid to speak what's on her mind. Bryan Elliot, *Oh, my!* A real **HOTTIE!** He's smart, strong, sexy and sweet *sigh* As we all know, he belonged to the prominent Elliot Clan, and instead of working with the family's business he opened a restaurant and worked as a spy.

They were thrown together due to some unexpected series of events. Bryan rescued Lucy, took her away from her place and brought her to his apartment when he's undercover job was compromised. The attraction between them was very strong and palpable. But neither of them plans on getting involved. Lucy just got off from a bad break-up with a rock star and Bryan doesn't think his current lifestyle is suited for a long-term relationship.

But of course, as they spent more time together working on the case or just simply hanging out in the kitchen, they both realized that they can't no longer ignore the attraction that sizzles between them. They ended up having a mind-boggling and scorching hot sex. And I swear I will never eat cake again without thinking about them. But danger still lurks around them. Will it be too late for the two of them to realize that they belong together?

Under Deepest Cover was a nice addition to the series. And if you are looking for some quick and fast paced read involving a super sexy spy hero and feisty and sassy heroine with some hot scenes then this one is for you.

Probabilmente il migliore Harmony che mi sia mai capitato di leggere, ha una trama vivace, per nulla scontata e ben sviluppata. La storia d'amore si è fusa benissimo con la parte avventurosa della vita da spia di Bryan. Sono commossa.
