A Time to Dance

Angela Bomford

A Time to Dance Angela Bomford

A Time to Dance is the true story of a young girl whose childhood was filled with air raids, bombs, and gas masks. This biography recalls the adventures of a young Christian as she struggles to break into show business in 1950s England. Tragedy and comedy follow her across Europe, where she has a peek behind the Iron Curtain and adventures in Paris and Vienna.

Failed romance triggers serious self-doubt-until her walk with the Lord leads her to a deep, life-long romance with the man she had a crush on as a young teenager. A whirlwind courtship takes her across the Atlantic Ocean to Peru, Panama, and the United States. From working as an assistant stage manager in England to acting on movie sets in Florida, this true story brings both a lump to the throat and laughter to the lips.

Author Angela Bomford prays her story may give encouragement to the young and pleasure to all. It is written in thanksgiving to the Lord, who led her to a lifetime of love and a land of beauty.

Kathy Heare Watts says

From the horrors of living in England during World War II to the struggles of life in America and beyond for a young Christian. A love story and life of Angela Bomford. Includes some photographs.

I won a copy of this book during a Goodreads giveaway. I am under no obligation to leave a review or rating and do so voluntarily. So that others may also enjoy this book, I am donating it to a senior assisted living facility.

Erica G says

This is a great book. I can't believe I have had it on my shelf for so long without reading it. Angela Bomford has had a remarkable, active, adventurous life, but the way she tells her story is very relatable. You can feel the joy and hurt in her life through her words. I love how she weaves her Christianity throughout the book without being preachy. You can really tell that she lives her beliefs.
