Bear Ellen Miles

Brrr! It's cold! Snuggle up with a happy husky in this winter adventure.

10-year-old Lizzie Peterson and her family are on an adventurous winter vacation in snowy Vermont when she meets Bear, an adorable husky called lazy and then abandoned by his sled-dog racing team. Lizzie falls in love with Bear, and rescues him when he gets lost during a big snowstorm. Will Lizzie be able to find Bear a home where he is appreciated? When she meets Fern, a young musher, Lizzie goes on the ride of her life--and thinks she may have found the answer.

Abigail Cieslak says

Such a cute puppy. Huskies are so cute and amazing. Glad he can help the sled team?

Jenn says

Ryland loved this book! He wants them to make a TV series out of the Puppy Place Books.

Sammy C says

a lazy dog finds a home. a cute story full of humor you should read

Zoe Tandy says

its when a puppy needs to find a home so the people are a foster family and help find a person to be its owner.

Lane Deshazer says

I liked it because Bear was a husky. I liked that they went to a snowy place

Melissa Namba says

A cute book. I appreciated how it described the differences between Alaskan and Siberian huskies. Wrapped up a little too easily, as usual. I wouldn't even say they spend enough time with the dog to really be considered foster parents.

Twyla says

My favorite part was when Bear was finally rescued from the snow and found safe. The worst part was when Bear got lost and no one could find him anywhere and they thought he went wandering onto the road. My favorite character was Fern because she wanted to adopt Bear. There was no worst character. This book took place in Vermont, at the Harris House. The characters were Fern, Lizzie,

Callie Stillion says

Bear is a dog, left at a hotel that Lizzie and her family are staying in, as a puppy. He was born into a sled dog family, but his original owner thought that he just couldn't or wouldn't pull, and gave Bear up. And Lizzie, as usual, is determined to find a home for this sweet pup, how could she say no? It was a cross country skiing vacation, but Lizzie just wants to stay inside, and play with Bear all day. But she has to go, and about every two feet, she falls down. When Bear goes missing one day, she meets Fern, and neighbor to the bed-and-breakfast. She helps, while Bear is stuck in a cave of snow. Lizzie isn't good on the snowshoes, either, but she gets on the dog sled with Fern. At first, Fern's dad says no to Bear, but after a while, he picks to have Bear, as a sled dog, because Bear will pull a sled, he really will!

Horace Mann Family Reading Challenge says

This time they save a husky dog named Bear. I.M.

Amy says

I really liked it because it was about fostering puppies, because it was snowy, and because he was going to be a sled dog.

Audrey says

This is a great winter book so far. lizzy does not like skiing so she gets to go on dog sleds and she always carries bear. bear is a racing dog but to slow so lizzys family is fostering

Olivia says

I love it!

Lizzie and her family head to Vermont for a cross-country skiing vacation. They stay in a bed-and-breakfast, where the two sisters are caring for a husky puppy named Bear. Lizzie falls in love with Bear and makes a good friend in Fern, a neighboring girl who is a dog musher. Lizzie tries to convince Fern and her father to adopt Bear into their family.

The book mentions Susan Butcher, the famous female Iditarod. I know her cousin, Amy Butcher, a female athlete in her right. It's great when you find books where girls are pursuing their passions and their passions are different from the average.

This book is written at a 2.4 reading level. This series should appeal to both boys and girls (but especially girls) who love animals.
