## Getaway Nelson DeMille , Lisa Scottoline

In this short story from the International Thriller Writers' anthology *MatchUp*, bestselling authors Nelson DeMille and Lisa Scottoline—along with their popular series characters John Corey and Bennie Rosato—team up for the first time ever.

When former NYPD homicide detective and Federal Anti-Terrorist Task Force agent John Corey finds himself recuperating at a remote lakeside cabin, the last thing he expects is trouble. Then tough-as-nails lawyer Bennie Rosato comes running out of the woods with masked men on her trail. With no phone reception and unknown dangers lurking, can these two alpha personalities work together to survive the night?

For more exciting pairs, check out all eleven short stories in *MatchUp*.

### **Paul says**

A great short story. It would be interesting to see where a story with these characters would lead.

### **Elaine says**

#### **Getaway**

I would recommend this book for readers who like short stories. Both authors are excellent writers and the book didn't allow it

---

### **Msmith0218 says**

#### **Not what I expected.**

I thought this was a full novel, not a short story. Disappointed.  
I didn't pay much, so I guess the old adage of you get what you pay for applies.

---

### **Jimmie says**

Getaway was a delightful, quick read collaboration from Nelson Demille and Lisa Scottoline. I'm a huge fan of Mr. Demille and found another nugget with John Correy. This was a quick read and was well worth the effort. It is good to see John Correy has not lost his humor.

### **gwgrover says**

#### **Extremely disappointed.**

Thought I'd bought a real book  
, not a very short story. Where is the rest of this story?  
What there was of it was a very good read; but the abrupt end left me using some bad words because there was no more to enjoy.

### **Joseph Bechtel says**

Great Plot, Much too short

---

**Dolly Dacanay says**

As usual Nelson DeMille's John Corey is one of my fav characters. A pity though that this is a short story as I didn't have enough of it.

---

**Jane Navarre says**

I loved having John meet up with Bennie. John Corey is one of my very FAVORITE fictional friends. Love his Wise Cracking thoughts and comments. It's was nice to be with him even for this Short Story. I've not read any books by Lisa Scottoline in a long time but after meeting Bennie, I am planning on reading more of her Adventures. What a clever way of getting new reader's! I hope Nelson DeMille brings John Corey back soon. Miss him.

---

**Fran Chernowsky says**

I'm a big fan of DeMille's books. I love his smartass protagonists and his thriller plotting. I have enjoyed one or two of Scottalone's books over the years but was not sure the two of them could seamlessly carry off a collaborative effort. I was wrong. This short story left me thinking I'd like to see more joint efforts and that the read went much to fast.

---

**Ginny Vatele says****De Mille never disappoints.**

I love the one liners and the banter among his characters. Great short story. I'm sorry it's over. Frankly, if I had met John Corey in the woods, I wouldn't have been in such a hurry to leave.

---

**Robert Gad says****Can do better than this ...**

Not a great short story, plenty of build up but petered out. Expected more from my favorite author. I enjoyed the banter

---

**Linda W. Nash says**

OK..not his best work

---

**Chris Piehota says**

**Ok but not much more.**

This was a mediocre short story that seemed to try to capitalize on the John Corey character but missed the mark. The story lacked substance - even for a short.

---

**Bethinva says**

Short, fast and a good quick read

---

**Alexis N says**

I love Nelson Demille, and I love Lisa Scottoline, but this book was over in a flash and wasn't long enough to really leave any impression on me. I hope they join up again to do a real book!
