### **Lori says**

Adorable rhyming board book. I have to remember to put this the Christmas list!

---

### **Maggie KutsBorg says**

A cute book about what these twins (gender unspecified, with pale skin and ginger hair) do for play.

---

### **Melissa Robinson says**

A board book featuring identical looking twins. The illustrations are cute, but I found the rhymes too mundane: "We swing through the air. The wind blows our hair."
