People poop in their pants. It happens. No biggie, right? Wrong! Some bathroom accidents occur at the worst possible moments - on a first date, at the start of a new job, while stuck in traffic - and their stories ascend to the level of Toilet Tales. If you enjoy bathroom humor, this funny book collects 28 of the most humiliating true accounts that anyone was ever brave enough to confess. Toilet Tales makes a hilarious conversation-starter and a perfect bathroom read. But be warned: These short funny stories are gross!

### **Tammie Smith says**

a great book of short stories to read while in the restroom or really anywhere. Really funny. I won this book on Goodreads

### **Cassi Harvey says**

Won this book in a goodreads giveaway

---

### **Diane Hernandez says**

I should have read the entire book blurb by the author before entering the Goodreads giveaway where I won this book (which didn't impact my review of this book). The author himself states that this book is gross, which is totally true, and that it's hilarious, which is not. If you think babies pooping all over everything or middle school boys getting poop all over their friend's bathroom is funny then this book is for you. Unfortunately, it wasn't for me.

### **Alberta says**

I love this book. It is hilarious. Where can I get the others.

---

### **BarbaraLynn Moncrief says**

This book made me laugh, some people might think it is just the wrong kind of humor, but I think it is very amusing. I won this book from GoodReads, tickled that I got the poop scopp.

### **Joseph Naylor says**

Absolutely disgusting! I won this book and promised to read and review it. I regret winning this book. I read about 7 stories before I literally threw the book into the trash in disgust.

This book does not even deserve the one star that I have to give it.
