Ok

This book wasn't as good as the other big nate books. You should still get other Big nate books, but not this one.

It was a very funny book about school and a great comic!

Sita Luna says

Okay

Some comics are in other books but although some were new they all were not. Some new comics were boring.

It was a good and funny comic for kids.

It was great but not that funny but who said a book has to be funny to be good.

Jovin Toumani Ngomsi says

Great book

I choose this rating because it is really the best books ever. Lincoln Peirce has a comedy relatable to Jeff Kinney's Diary of a Wimpy kid. This is great for ages 8-12

Sasha says

Nate's back to his old antics and comical drawings! Just wish this book would be longer!
