Cold (Book Three) Ella London

“Tell me the truth. You like it when I touch you there...”

Imagine if you told a lie—a really big lie that could get you into all kinds of trouble.

Well, that’s what I did. And the worst part?

I lied to the one man you never lie to. My sexy and terrifying billionaire boss, Ashton Carter...

When Mr. Carter discovered my deception, he made me a deal.

He would let me keep my job. But in return, I had to promise to tell him the truth no matter what he asked me.

Then he started asking about things I never imagined telling anyone. Made me admit my deepest, darkest thoughts and desires...including that fact that I wanted him.

Now he’s using my own fantasies against me—acting out everything depraved thing I’ve ever dreamed of doing with him.

It’s better than I ever imagined, and more terrible than my worst nightmare.

Because Ashton Carter is not a nice man. In fact, he’s ice cold. And now he owns me completely.

Misty says

I absolutely love this book!!!! I just wish it was longer!!!! Ugh I hate waiting for the next one to come out!!!! Must read series!!!

Terra Drynan-Werder says

Another few enjoyable chapters of this series, where you learn more about Bria and Ashton and what has brought them to where they are today and made them the people they are. I would rate this series much higher if it wasn't 4 chapters per book and just one large well written complete book.

Stephanie McRae says

Loved it

Looking forward to book 4.. I'm hooked.. read it within the day.. Couldn't put it down. Fab story line. Can't wait

Gail A Ostrove says

Cold is an apt description of Ashton

Bria is going through her own personal trouble and he just treated her like dirt and I don't blame her for quitting.

A.D. Herrick says

Fantastic

Absolutely amazing! So much raw emotion mingling with steamy hot sex!! Such a broody character you can't help but fall in love with.

Saunders says

88 pages - bit longer than first two.

Nova says

Cold describes Ashton or is at least meant to, I have feeling that Bria will be what warms him completely.

Bria's world falls apart in this 3rd book. Betrayal and a broken heart. I cannot wait for book 4. Easy to read in one sitting.

Mary says**So Hooked!**

This series has me so hooked that I am one-clicking as soon as I see it go live!!! Loving the characters and story line!!

Beth says
