Complete Book of Drawing Projects Step by Step Barrington Barber

Finding suitable subjects to draw can be a problem for artists who want to practice their skills. Barrington Barber takes a selection of 50 subjects and explores their possibilities. Five steps are given for each subject. The user is then invited to create their own drawing, using the steps as guides. The exercises in this book are progressive and have been designed to develop the skills of inexperienced artists. *The Complete Book of Drawing Projects* is an innovative, fun way of helping aspiring artists achieve their potential.
