## **Screaming O** Mari Carr

Jayne Kent has watched her best friends and business partners fall in love while romance continues to pass her by. When Books and Brew regular Elias Clark offers her a Screaming Orgasm, she wishes it was the sexual variety rather than a lousy drink. She's been lusting after Elias forever and suspects he could bring all her naughty, kinky fantasies to life.

Elias has resisted his attraction to Jayne for years, assuming his dominance in the bedroom would send sweet, romantic Jayne running for the hills. Or would it? Alone in a snowstorm, Elias tests the waters and is blown away by Jayne's innate submissiveness and eagerness to stretch her boundaries. Ice play? Bondage? Flogging? Bring it on.

Soon it's no longer a question of whether or not Elias should pursue Jayne, even if she's not sure she's brave enough to submit to him forever. She's made for him, and this determined alpha male will stop at nothing until he's claimed her—completely.

A Romantica® BDSM erotic romance from Ellora's Cave

## Under the Covers Book Blog says

Come on, admit it! You want to pick this up for the name alone! That's what happened to me. I haven't read any of the books in this series before and although I usually prefer to read in order I had to make an exception here.

The first thing I did was... I had a screaming orgasm. No, really. The drink! The recipe is the first thing you read! And it's delicious! Then I settled in to read and OMG it was hot from the very beginning.

Elias is a Dom, a little bit older, a little bit more set in his ways of how he likes things. He's apparently wanted Jayne for a while now, the only woman that he could see being a part of his world for something more than a sexual interlude, but he had his reasons to stay away.

Now that all her friends are getting married and finding happiness, he decides it's time to show her how perfect they would be for each other. Only thing he has to do is get past her hang-ups that she's not a submissive. Or at least she thinks she's not a submissive for more than a fling.

This book was hot, hot! But it was full of emotion from the beginning. Elias goes into their relationship knowing he wants more with Jayne. Knowing he wants her forever. I love when the guy has to work to bring the heroine around to his way of thinking. I think some of their relationship building was probably done in the previous book and to me, I took it as backstory. It was their final coming together moment,.

I also think the group of friends around them are a ton of fun and definitely I'll go back and read their stories!

SCREAMING ORGASM is the perfect story to steam up a lazy summer afternoon. Even if you haven't read the others in the series, you should give it a try!

## Romancing the Book says

Reviewed by Melissa D

Book provided by Ellora's Cave Publishing

Review originally posted at Romancing the Book

Screaming Orgasm is the fourth book in the Cocktales Series by Mari Carr. This book can be read as a standalone without any confusion. I chose this book because I have read Mari Carr before and have enjoyed all her stories.

Jayne has been lonely for a long time and has not been able to break out of the funk she has been in.

Watching her three friends fall in love has added to the loneliness that has been plaguing her.

Elias has been attracted to Jayne for a long time. He did not know how she would react to what he needs in the bedroom. Therefore, he never approached her.

The chemistry is off the charts between these two characters. Its hard to believe that it took this long before they got together. The sex scenes were explosive.

There is nothing that I would have changed about this story. While I am not a fan of short stories any longer and it would have watered down the story. Overall, this was a wonderful story. While I did not read the other books in the series before now, I will be picking them up shortly.

4.75 Stars

The final book in Mari Carr's Cocktales series is absolutely freaking fabulous!! Talk about saving the best for last Mari has truly given us a hot as hell conclusion with Screaming Orgasm, but how could she not with that title. Hehehe.

Jayne has a loneliness she can't seem to get rid of. She has watched her three dearest friends find the loves of their lives, but she can't seem to have the one man she wants. She has been watching Elias Clark for years now, and has been teased often about her crush on him. Elias is the one custom of Books and Brew that sets her into a fiery lustful hunger. She suspects under his properness he has a dark side that could bring many of her secret fantasies to life.

Elias has resisted his attraction for Jayne for years, because he thinks she would never be able to handle the dominance he craves in the bedroom. He suspects a secret submissive side to her, and when they are alone on the night of a snow storm he gets the notion to test her and see where it leads them. One night shows him that they could have forever, but he has to get past the road blocks that Jayne puts in his way.

In true Mari Carr fashion I was drawn in to this story until I hit the end. She has you so wrapped up into these characters so well that you have to see them through to HEA. I loved how Elias stretched Jayne's limits while respecting her wishes totally. He is truly a man that you want to order as your own. If only Mari could write my real life hero. ... I truly hope y'all love this book and series as much as I have. It isn't one to be missed!!

## **EvilAntie Jan says**

**I loved the title**

Mari Carr happens to be one of my all-time favorite authors. This is a great example of her style and her characters!

### **MountainKat says**

Once again, I am left wanting more! The epilogue helped, but longer would have been better. Of course, I picked this book as a short filler so I am contradicting myself a bit. Still enjoyable and I'm glad I read it!

### **Melinda ~ Twinsie Talk says**

I received this book from the author for an honest review.

Jayne owns Books and Brew with her three friends, who have all found love. She had thrown herself into work and taken care of everyone but herself. Elias has been coming in to the store reading books and she has the biggest “crush” on him. She even placed a bid on him six months ago at the bachelor auction. One night at the store a storm was brewing outside Jayne decided since it was just her and Elias in the store she was going to have a drink, which she never does. Jayne tried one of Elias favorite drinks, Scotch. Needless to say she thinks it is terrible. Knowing Jayne loves coffee Elias makes her a drink that she loves a Screaming Orgasm. Elias tells her to close the shop early because of the weather. After she does this he makes a proposition to submit to him.

There is a fight going on in Jayne’s head because she is a submissive but she thinks being a submissive makes you weak. After negotiating they agree to 5 nights of her submitting to him, although he wants more Jayne just can’t give him more.

After 3 dates Jayne is still scared to fully commit to submitting to Elias. Elias wanted more and basically told her he wanted all or nothing and walked away.

Everything is up to Jayne does she walk away or realized Elias is exactly what she needs and wants.

My favorite line:

“Did I pass out?” ~Jayne

“More likely you fell asleep from exhaustion, but let’s go with the fainting idea. Makes me sound like a stud.” ~Elias

Now I need to go back and check out the other three books to see how Stephanie, Jordan and Sophie got their, as Stephanie put it, “hottest, set-the-sheets-on-fire guys in Portland.”

### **Charliegrrl1 says**

#### **Hot, hot, hot**

This final installment in the Cocktales series goes way beyond quick and fun. It's much more explicit than the previous three, and manages to be fun and erotic at the same time. The only part I didn't like was when

Elias mentions putting her on exhibition at the sex club and allowing other men to pleasure her while he watches. I prefer it when a Dom falls hard enough not to want to share, but then again, it just may not be my thing. Still an excellent BDSM romance.

---

### **Michelle says**

With Screaming Orgasm, Mari Carr gives her readers exactly what you would expect from an Ellora's Cave erotic book with that title. It was hot and sexy and refreshing and, oh, did I mention hot? Not having read the first three books in this series, I wondered if I'd feel like I was missing something. This book easily reads as a stand-alone, although I think reading the other girls' stories would make this one all the more enjoyable.

### **Tabatha says**

It's always the quiet ones...

This last installment of the Cocktales series was fantastic! The whole series has been great, but I always knew Jayne and Elias were going to be the best! These two have struggled in vein with the attraction they feel for one another, and the chemistry between them is soooo sizzling. I loved how patient Elias was with Jayne, and that he was definitely just the type of Dom Jayne needed.

### **Kate says**

I liked this one, but I would have liked it to be longer!

---

### **Gigi Melodias says**

A cute series overall.

---

### **Kim says**

Liked the story idea. Though the scenes were good the character Elias's BDSM was not as storing as it could have been. He was not portrayed as a strong dominant in mu opinion. I did like the story.

---

### **Katherine says**

Sometimes we all need to be reminded that a book is something everything we want, no matter what the cover looks like. And this book is just the one to remind you.

---

### **Moran says**

A great ending to the series. Super hot read.
