Nafury has spent all his years fleeing from Fate. Banishment from his home for the last ten has proven to be the least of his worries. After almost destroying the world of Aster, he should be dead. But a promising hope given to him from his sister continues to pull him forward. Armed with only his sword and haphazard miracles, his enemies have never been more scared of him.

When Nafury stumbles on an unlikely ally inches from death, he finds a lead to the answers he needs. Only a more dangerous enemy has found him in turn. With the world's wounds still open, he must work fast to stop the coming devastation. If he fails, the dream and nightmare Threads that make Aster will become nothing more than a memory.

Sequel to the Dragon Aster Trilogy.

Nafury and Kenshe are just crazy in this continuation. While a darker read than the trilogy, still very entertaining.
