Mandie and the Foreign Spies Lois Gladys Leppard

Mandie, Celia, Mrs. Taft and Senator Morton arrive safely in London and take Jonathan, the young stowaway from Mandie and the Shipboard Mystery, along with them.

A telegram from an unknown source is waiting for Mandie and an unexplained message has been left at their hotel. Who is so interested in what Mandie is doing? And why don't they sign their names? Is this a new adventure-or danger?

When they decide to deliver Jonathan to his aunt in Paris, adventure begins. But what at first seemed like a simple mystery turns into a dangerous trap and an encounter with the disappearing stranger.

Mandie's in Paris and so are the spies!

Eliza says

Ugh! I really wish I had started out reading these in order :)

Lindsey (Books for Christian Girls) says

About this book:

"Mandie, Celia, Mrs. Taft and Senator Morton arrive safely in London and take Jonathan, the young stowaway from Mandie and the Shipboard Mystery, along with them. A telegram from an unknown source is waiting for Mandie and an unexplained message has been left at their hotel. Who is so interested in what Mandie is doing? And why don't they sign their names? Is this a new adventure-or danger? When they decide to deliver Jonathan to his aunt in Paris, adventure begins. But what at first seemed like a simple mystery turns into a dangerous trap and an encounter with the disappearing stranger. Mandie's in Paris and so are the spies!"

Series: Book #15 in "*Mandie*" series. (To read the reviews of the previous books in this series, click the number to be taken to that review: #1! #2! #3! #4! #5! #6! #7! #8! #9! #10! #11! #12! #13! #14!) {There also is the "*Young Mandie Mystery*" series, (Book #1 review Here and Book #2 review Here!) but they do not connect together well}

Spiritual Content- Isaiah 58:9 at the beginning; Prayers; A couple Scriptures are prayed; 'H's are capital when referring to God; Uncle Ned referrers to Heaven as the "*happy hunting ground*".

Negative Content- Minor cussing including: a 'dumb', a form of 'sissy', and three 'shucks'; A bit of sarcasm.

Sexual Content- A bit of jealousy; Mentions of crushes; Mentions of Joe & Mandie marrying when they're older.

-Amanda "Mandie" Shaw, age 13 P.O.V. of Mandie Set in 1901 159 pages (also available in a collection with four other Mandie books.)

Pre Teens- Three Stars (and a half) New Teens- Four Stars Early High School Teens- Three Stars (and a half) Older High School Teens- Three Stars My personal Rating- Three Stars (and a half) Another good Mandie mystery! These Europe ones are some of my favorites. :)

Telisha says

Mandi and Celia see Jonathan kidnapped and race to find him. In the end they save him and the three sisters.

Rachel says

The Mandie books are fun Christian mysteries for children, but I still love reading them. Even though she doesn't age very quickly and seems to get far too many breaks from school during the year, she's a lot of fun.

Noelle says

Desiree says

what a book! I never knew what I was missing till I read the Mandie books!! There were a few moments when I thought I would jump out of my skin from the suspense building!

Katherine says

A childrens book and a light and easy (and predictable) read.

Partridge Public says

Leppard, Lois

Annaleigh Niedzielski says

The book I most recently finished is called Mandie and the Foreign Spies, by Lois Gladys Leppard. This book is historical fiction. It takes place in London, England. The main characters are Mandie, Celia, Jonathan, "Grandmother" Taft and senator Morton. In this book Johnathan is kidnapped and Mandie and Celia, against Mrs.Taft's wishes, go to find him. I rated this book 5 stars because it is an action-packed book with mystery and suspense.

Christina says

YES! ACTION! This book is filled with action and a Mandie Must-Read.

Danielle says

I didn't like how Mandie treated Celia throughout this book, forcing her to go beyond her comfort zone with fear. I have a lot of fear and anxiety and if I had a friend like Mandie trying to force and manipulate me, I'd lose it.

Mini rant aside, I definitely like books with Jonathan better than those with Joe. (#sorrynotsorry) Jonathan is nice to Mandie and treats her as an equal (even if she doesn't deserve it), with some teasing. Joe just talks down to her and acts as if he's better because he's older and he's male.

Uncle Ned was in this book, so that was a pleasant surprise. Uncle Ned makes everything better.

This was a more enjoyable Mandie book then some of the others, as the stakes were higher with the dangers being more than wandering around a ship pondering their missing fruit.

wanderer says

I admit it: I am reviewing these books years after reading them. However, do not even suggest that I'm no longer qualified, that too many years have passed to remember. My battered and faded copies of these books testify to how many times I read them growing up and plots and entire passages are seared in my memory forever.

Snowball always ran away, Mandie always got in trouble, Uncle Ned always rescued her, and Joe and

Tommy bristled at each other. I myself prefered Joe, but Tommy's cosmopolitan airs nearly tipped the balance a time or two. I recall- fondly and as though it were yesterday- my glee when Mandie went off to Europe, my disgust at the new baby, my delight in Mandie's wardrobe of sky blue frocks, my puzzlement at all her near escapes and handy school vacations, my terror during the daring midnight adventures. Ah me, to be young and silly again...

If I had written goodreads reviews at the age of eleven, all Mandie books would've received automatic fivestar ratings and gushing descriptions. As an adult, I will honestly give them all three stars, except for my special pets. And if I ever have a little girl, I will buy her the entire set. Oh, and *did* you know there are more than forty books in the series by now? And I'm guessing Mandie never grows up, either.

Amanda says

I was ten or eleven, also named Amanda, and going through my "mystery phase" of Nancy Drew and (probably inappropriately) Agatha Christie, so of COURSE I had to read all of these! Simplistic and formulaic, but oh so much fun!
