Mocha Confidential

Billy McCoy

Mocha Confidential Billy McCoy

Mocha Confidential by Billy McCoy is a spellbinding generational saga that will sweep readers away-- Leah's secret romance threatens to unravel her family. Leah finds herself cautiously navigating racial fault lines, but when her lover's comfortable life is suddenly disrupted, she can't cope and long festering grievances that have been simmering come to a boil.

Mocha Confidential captures the fractious dynamics of Jewish Leah and black Chris with precision and energy. The prose is both lyrical and piercing, yet remarkably human.

Billy McCoy says

An author is hardly qualified to rate their own work however I have complete faith in Mocha Confidential and invite other reviews. I don't believe you will be disappointed!

Victoriaii s says

I read Mocha with enthusiasm, riveting story!

Jeni Pearson says

"I read Mocha Confidential with increasing interest, it gives new meaning and insight into a provocative theme. It was a good, fast read that begin with a bang and held my attention until the end.

Neither her over-bearing mother nor her secret lover's unfortunate luck is able to cool Leah's passion for Chris" Mocha" Tolliver. But after a poignant interlude of excitement and youth idealism, a trail of sudden surprises tests Leah's commitment"
