## **Twin Star Exorcists: Onmyoji, Vol. 3** Yoshiaki Sukeno

Rokuro is from a family of exorcists, but he'd rather be a singer, a soccer player or anything but an exorcist! He's forced to own up to his own incredible potential when new arrival Benio stirs his competitive spirit. But their rivalry gets a twist when they earn the prestigious title of "Twin Star Exorcists"—two supreme fighters fated to marry and birth the ultimate spiritual warrior!

Benio learns both why Rokuro ran amok at Hinatsuki Dorm and a secret about her beloved brother. Then, when a friend is possessed by the curse of the Kegare, Rokuro is faced with a terrible decision...

## **From Reader Review Twin Star Exorcists: Onmyoji, Vol. 3 for online ebook**

### **Aleece says**

Benio is told the truth behind the Hinatsuki Tragedy but it is not until later that she discovers the whole truth, that her brother Yuto was actually behind the entire tragedy and Rokuro was the one to exorcise everyone from the dorm. She learns about the Kegare Curse that turns exorcists into kegare and while she is discovering information about the kegare curse Mayura turns into a kegare.

Overall a great volume that introduces Yuto, the evil that Rokuro and Benio will have to fight in the future and the truth behind the tragedy that Rokuro was running away from. There is still a lot more to be explained but this volume was great for putting the pieces together so the future volumes can move forward.

*I received this advanced copy from VIZ Media through Edelweiss in exchange for my honest review.*

### **Yuritzi Chávez says**

Un tomo dinámico, con mucho drama y acción.

---

### **Gabriela says**

Gah! So intense! I learned so much more about the characters in this volume.

---

### **Calvinist Batman says**

Such a great manga. All fighting and plot twists. I'm surprised that there's this much of both so early on.

---

### **Nicola Mansfield says**

A good volume basically concerned with plot. Benio finds out the truth about both Rokuro and her brother's involvement in the Hinatsuki Massacre. They, and we, also learn more about the curse of the Kegare. This was an informative volume and gets us ready for some action now that the plot has been developed further. Also included some humour with cute scenes between Benio and Rokuro.

---

### **Jazmine Schnitzler says**

This one was really really good. I can't believe what I read. It was sad T-T

---

## **Katherine says**

Starting immediately after the shocking events of the last volume, this volume barrels into the actions and doesn't pull any punches.

There has always been something more with the Hinatsuki tragedy and we finally get to learn the whole story of it. Not only does it affect both Rokuro and Benio, but it will change how they approach their future.

I like that despite being this 'foretold powerful couple', the twin stars are not immediately all powerful. No, there are other people more powerful than them out there, both good and bad. Having natural talent does not mean that you will immediately be the best, it simply gives them an edge to work together and excel. This is perfectly highlighted and executed and I loved how it worked out.

This volume was very emotional. It deals with the past in a major way and it changes how the two main characters see each other as they finally learn all of their biggest secrets. We also learn some secrets from those around them, though I'm sure that won't be the last time.

This story goes from plunging me into heartbreaking pain at the loss and grief in the story, to hope for change, and then manages to through in just the right humour to have me giggling again. The story continues to amaze and I can't wait to read more!

---

## **Amy says**

This is by far my favourite volume! The grief and trauma that both Rokuro and Benio faced is just too much for me to handle. Seigen is such a great guy, he is so protective of Rokuro that he made me cry! Love it!

---

## **Elinor Master of Gifs says**

Un très bon tome !! on apprend la vérité sur la tragédie et l'intrigue avance... des choses intéressantes en perspective !

---

## **Jessica says**

Ok... It's grabbing my interest.
