Under Scottish Stars Carla Laureano

Recently widowed Serena MacDonald Stewart focuses solely on her children—to the exclusion of career, artistic pursuits, and her sanity. When her brothers ask her to use her long-ignored business skills to oversee the family guest house on the Isle of Skye, she thinks it might be a chance for a new start. But her hopes for a smooth transition are dashed when, the current hotel manager, Malcolm Blake, turns out to be irritating, condescending ... and incredibly attractive.

This is your invitation into a sparkling Scottish romance brimming with heart and heat.
