Dianne Salzwedel says

Indian Helicopter Pilot fighting drug wars and hating men

Nathan & Judy Cook says

Good story. Loving the series.

I took the time to research the Morgan's series and down loaded all of them. None have been disappointing especially this one.

Lillian Cummings says

A nice easy read with a strong female character Akiva is an Army pilot and she is happy just to do her job that is until Joe gets under her skin. Sometimes the words just speak for themselves

Annette Clements says
