## Hikari says

Der 54. Band schließt erneut an den Vorgänger an. Der Fall mit Eisuke wird weiterbehandelt - doch seine genauen Hintergründe erfahren wir noch nicht, auch wenn Shinichi so seine Vermutungen hat. Dafür erfahren wir von den Männern in Schwarz ein kleines Detail, das mit Eisuke zusammenhängt.

Anschließend geht es mit den Detective Boys zum Ski/Snowboardfahren und natürlich passiert auch hier wieder ein Mord ;) Der Fall ist amüsant und liest sich angenehm. Eine kleine Abwechslung. Auch der zerstreute Polizist ist mit im Boot.

Den Abschluss bilden zwei Fälle mit Heiji ♥ Da freut sich mein Conan-Herz sehr darüber. Vor allem der zweite Fall ist wirklich grandios - wird aber mal wieder nicht hier, sondern im nächsten Band abgeschlossen.

Insgesamt ist es wieder ein spannender Band, der mit der Story um Eisuke hoffentlich bald noch mehr Fahrt aufnimmt. Aber dafür zeichnen sich ja schon einige Hinweise ab.

"Words are a sword. Wielded without care, that sword can kill. Choose your words wisely before you unsheathe them against someone... no matter who that person may be."

I love the nuggets of wisdom that pop up in these books. ^\_^

Kaito kid is the real MVP

1. Starting with kaito kid being accused of killing someone oh my, but of course Conan cleared his name.
2. The painter case only gave me more inspiration to paint tbh
3. Kobayashi sensei should be more in the Detective cases with the kids!!!!
4. AND FINALLY black org drama is BACK!!!

5. Okay this boy from Ran's school is as Conan said, from the black ORG AND HE IS PLANNING SOMETHIN!!!

AND HOW did they find the house of the boy who saw mizunashi jumping for the bike (in the previous arc) I mean chill.

All in all, this volume was a bit of a break, now I'm back on track!

Baca Conan ini membuat kita belajar analisis, walau kayaknya kasusnya sederhana tapi itu bisa bikin kita belajar teliti dan memahami setiap analisa Conan.

Merasa kangen deh dengan kasus yang panjang dan agak sulit dipecahkan. yg di buku ini kok rasanya gampang banget dipecahkan Conan, dan saya lumayan bisa menebak siapa pelaku walau susah menganalisa triknya :p

### **Proper review to follow**

One Word Rec.: **READ**

Rating: **5 ?????**

Aoyama Gosho; **DETECTIVE CONAN** [Meitantei Conan #54]

e/read online; genre: { manga, mystery, shounen }; shelves: |comics, GN, **manga**, manhwa, manhwa|

General Synopsis:

**As mentioned above, I am going to write a proper review for this soon, but I have a few books ahead of this one in the queue, so I cannot stop reading DC NOW! That's sacrilege. I have decided to read all the chapters available up to now (we are almost to 1000!) As you can see, I am totally fangirling over here and I don't care, because this is one of my favorite manga series, ever! But all of this aside, there are a few things I wanted to list so I don't need to go back and look everything up when I do finally sit down and write my fangirl review. 🙄?**

V.54, includes Files 554 - 564

**DO NOT** click on the spoiler link if you don't want to read all the cases in this volume, because it will ruin it for you. On the other hand, if you're a fan like me or are looking for a certain case (and please note, these are how I have set the cases), etc. click away, that's why it's there.

(view spoiler)

Another spoiler link, so don't click if you don't want to ruin this manga. I am going to include the characters introduced or as the series continues are in this volume. Personally, I think us **DC** fans love certain characters more than other (yes, Heiji, I mean you!), so sometimes when we are re-reading this series (like all the time!) you might wish to start at a specific case or start when a certain character is involved.

Characters in this volume: (view spoiler)

Personal Opinion:

**#1, I never call this CASE CLOSED. If you do, you're not a true fan of this series, so don't even bother reading my review or my personal opinions. I'm sorry if I offend you, but you offended me first by telling me you want to read CASE CLOSED or you just love Jimmy.**

**#2, as you can tell by #1, I read this online. I would never waste my money buying a manga series in english that cannot get the name correct and mess up the main characters to make it appear more "ENGLISH." I am so happy I don't run a blog and this isn't a review on Sailor Moon, #1, because I have a huge soap box tirade against DiC. I also don't think there is anything against reading something online. Comics, which is what manga are, are meant to be read and shared and sometimes**

**paying over \$10 is too much in my opinion. Plus, I read the newest chapters as soon as they are released from Japan, because I would never miss a release of DC. So this is my personal shout out to you translators from me, Thank You!**

Eh kasus pembunuhan di kolam bawah tebing itu yang pembunuhan dengan boneka salju yang dikerasin dengan garam itu bukan? Grup detektif cilik ketemu sama Yamamura, dan yaaah si Yama selalu bikin analisa asal-asalan. Hahaha.

Ada juga kasus pembunuhan dengan tatami alias karpet Jepang itu loh.

**Pato Myers says**

A quick and enjoyable read. I like the cases with detectives against detectives.

---

### **Rebecca says**

Definitely a bit of a come-down from all the Edogawa Rampo I've been reading lately, but this is still a fun, light mystery series that proves engaging, if not hugely challenging. The tatami mat mystery (AKA the titular moving shrine room) is the strongest, but all four cases in the book are good quick reads.

### **Gayatri says**

The first case was the solution of the case started in the previous volume - the murder of Toji's mother. Although it wasn't Vermouth, the solution was interesting. I expected a full-fledged reappearance of one of the member of the Black Organization, though.

The second case was of the Snowman sculpture. This was intriguing because it explained the solution using science, rather than physiological or psychological evidence. It made me recall what I had learned back in school - the use of salt for freezing and melting.

The Phantom corpse case was the best of the lot, because it was truly mind-boggling. The explanation was equally amazing - using the statue containers to cover up the stains.

The Detective Koshien case, incomplete in this volume, is bugging me. What's the motive of inviting the detectives from the four directions? Was it to murder Junya? Or is there a mystery behind all the lavender? But it is also amusing because of Heiji and Hakuba Saguru's little squabbles.

On to the next volume!
