Her Innocence, His Conquest Jules Bennett

Architecture kingpin and expert playboy Zach Marcum knew exactly how to get what he wanted—both on the job *and* in the bedroom. Until sexy, independent and impossible-to-ignore Ana Clark charged into his life. Her construction company could make his luxury resort project a multimillion-dollar reality, but he couldn't risk letting the career-driven siren slip past his defenses. Discovering she was a virgin made the seduction stakes even greater, as Zach crossed the line from business to pleasure....

Like the author said there's nothing like the innocence of a sweet woman to tame a sexy notorious playboy! Ana's unconditional love for Zach broke my heart and his evil ex wife gave me all the angst I needed! 5 stars!!!

I don't know what it was about this book that seemed so familiar to me! Maybe it was when the Heroine said "why don't you pee on me to mark your territory!" But it all seemed like another book I have read before. I read the book to the end and I still could not shake the feeling. Oh well back to the book. I have to say it was pretty good but I love more drama personally and love it when kids or babies are in the story or on the agenda. They talked about it at the end briefly but it just seemed like a concession the hero made to please her. The biker angle was cute but not as romantic as they made it out. In real life it's never that easy to park and ride along. Just not very realistic to me. Cute, but not deep and/or emotional investing. Quick read with some humor.

I gobbled this book up in just a few hours. I only meant to read a few pages and next thing I knew I was done and needed to get started on the rest of my day.

He tardado mil años en leermelo porque he tenido una crisis lectora de que no me apetecia nada, supongo que por el atracon de libros que me habia metido anteriormete. En referecia al libro, tambien he tardado mucho en leerlo porque ha sido un 60% de puro aburrimiento. No ha sucedido nada lo suficientemente interesante para mantenerte enganchada hasta que se ha acercado al final y para eso no me ha resultado sincero. Sera que soy de las que piensa que cuando le dices a un hombre te quiero y el te responde yo a ti no pero 2 dias mas tarde te dice ah pues si te queria, va a tener que currarselo un poquito para que me lo crea... Tengo toda la coleccion de esta saga pero me parece que por ahora no la voy a continuar

Architec Zack Marcum has been burnt when his x-wife walked out shortly after their wedding. He is now a love and leave man.

Anna Clark owns a construction company and is building his latest luxury resort project. Sparks fly ...

Given the short length of these books, I feel the author still managed to develop the characters pretty well. They were likeable and the plot was brisk. A fun read.

This is a sweet book but then there is sweet and cloyingly sweet. This one falls in that too sweet category. There was nothing bad here but it was boring to read it. That's not to say I did not like it at all. Going to the beach and watching waves as they come And go or sunrise or sunset are all predictable but leave you with happy feeling.
