**Highlander's Unexpected Love** Alisa Adams

~ **In the Highlands, sometimes the person you really need is the one you didn't think you wanted** ~

Bruce Ferguson, the village's new blacksmith, brings out the deepest desires for many women in the small, rural town of Invergar. Bruce is handsome, tough, and wild. Unfortunately, he is tragically scarred by the twists and turns of his love life.

Heather McVey, a laird's daughter, is one of the most privileged young ladies in the whole of Aberdeen. Betrothed by her father to a man she doesn't love, she feels trapped.

When Bruce and Heather first meet, fate's games make them despise each other, but nothing can relieve their natural magnetic attraction.

They come from different worlds and the odds seem stacked against them, but that's never stopped either of them before. Could they possibly find a way to be together?

**"Highlander's Unexpected Love" is a standalone historical romance novel of approximately 80,000 words.**

**No cheating, no cliffhangers, and a guaranteed happily ever after.**

### **It was ok**

I like this book ,not sure if I love it, terrible confusing at time,had to remember that I'm reading about different characters and not just the main one, very well written but I wish the author had stayed with one or at least two of the main characters in the book. I will definitely recommend this book to my fellow readers and see if the come up with the same conclusion.

### **Highlander 's Unexpected Love**

Alisa Adams has done it again! Another wonderful love story! Heather, the Laird's very independent and head-strong daughter, fights for her right to choose who she should marry and how she wants to live her life. The push and pull between Heather and Bruce, the blacksmith, is very believable. And the love that they find together is inspiring. This is a very enjoyable book!

### **Enchanting**

Alisa Adam's is an awesome romance writer who enchants you with a wonderful love story that is always full of surprises and each story she writes is unique. Thoroughly enjoyed this Highland experience. The characters are well written, the story flows smoothly and keeps you glued to each page. Thank you Alisa for allowing me to reads this delightful story.

### **Interesting**

Well, I didn't like the characters at all in the beginning, but they were interesting and the descriptions were great. So I kept reading and as the many characters were changed by their experiences I enjoyed their stories to the end ( and the epilogue on the author's website ). The three stars are because of the sometimes meandering storyline and difficult beginning that almost made me give up on the story. However I would read more by this author because I liked the emotional arc she put her characters through.

### **Catherine Tijerina says**

Beautiful romances as there is more than one packed into this story. Excellent story as Alisa's have all been up to this point. It has everything that you would want in a book: adventure, mystery, characters disliking each other and lots of romance. I would highly recommend it to anyone interested in a good clean read. I received this book as a free ARC in exchange for an honest review.

#### **Highlander's Unexpected Love: A Medeval Scottage Historical Romance Book**

This book was truly a wonderful story that brought tears to my eyes and warmth to my heart reading it. The story drew me right into the telling of the tale to the point I could see and feel as if I was walking ? riding along with the characters as if I was one of them. O loved the ending it was so wonderful that Heather would think to name the girl child after Bruce's deceived wife. That was beyond sweet. All in all I loved this story and would recommend this book to all my friends!

### **Enjoyable Scottish Tale**

Authentic characters and enchanting plot. This story explores how love can be challenged by society's expectations and how those in love stand together to face the choices they make.

Don't He Love? Her Madly

Bruce????, the tall, muscled? blacksmith of the village Invergar, loses his beloved wife from cancer?, and he thinks he will never find love? again.

Heather??, the daughter of Gordon, the local laird, thinks She will never find love?, ever, because her father insists she marry a son of another Laird. Both men he attempts to match her with are completely unsuitable for her.

Heather?? is a progressive young woman. She wants to teach the village children to read? and help do good works for the whole of the village. The prospective husbands would never allow it.

Bruce???? meets Heather?? when she brings her horse? to him to replace a lost shoe, and their lives are changed forever.

Loved the book?! It winds it's way through the lives of Heather and her family, through her friends families, and it all comes together in the end.

This was an excellent love story, that was clean and very well written. It was about a blacksmith who tragically lost his wife, will he ever love again. A young lady, who's father has his own ideas about who his daughter should marry. Will she find the right man and be able to marry for love, if she does will her father allow it? You'll have to read to find out and it's, so worth the read. A true romance that will stay with you, long after it's over.

### **A Wonder Love Story**

I fell in love with these characters right away

It started on the sad side, but so much depth, love, laughter, and intrigue, I couldn't put it down. Thanks so very much for the extended epilogue. As I was fascinated by the other people in this story as well. Well done

my lady. Very well done.

### **Patti Wolff says**

The storyline was cute, and it was clean, but I am baffled. This novel's period is proclaimed to be medieval, and while that history encompasses several hundred years, nothing in this book fit. People were "betrothed", not "engaged", and Latin was commonly used in churches and education. Chocolate was not really a thing. There were other things that did not make sense at all. It helps to add a little actual history to put the plot in perspective. As it is, I have no idea.

### **Charline Bonham says**

Lady Heather is engaged to Laird Kenneth Jamison with prompting from her father. She knows she has not real love for him but he is a good man and her family is happy with the arrangement. Heather is frustrated that women have to little say about their lives or those around them. She has started a school for her fathers tenants and wants to teach after she is married but Kenneth will not allow it. She breaks the engagement because teaching is important to her. He expects her to obey without question. She meet the village blacksmith under trying times. She did not know is wife was dying and that is why he was so rude. When she is made aware of this, she apologizes to him for her rush and lack of understanding. She knows she has come to care for him but her family will never accept him. Keeping reading and you will be in for surprises and learn how they get around their problem.
