Lindsey Lane McFarland

Who said life was fair? Certainly not Lindsey MacDougall. She rebels at a world dominated by men. Dressed in lad's clothing, she manages her father's stables, caring for, breeding and selling horses. Unwavering on performing her duty to the rebellion, Lindsey throws caution to the wind and secretly delivers missives behind enemy lines to the Scottish warriors.

Logan Ross uses his happy-go-lucky smile to warm the hearts of many willing lasses, but it also masks his pain—the pain of his birth. As a bastard son, he is unacceptable for any Laird's daughter, including the spirited Lindsey MacDougall. However, she haunts his dreams. Determined to prove his worth, he throws himself into the middle of the rebellion, leading men into mortal danger.

After helping Logan escape from a brutal English dungeon, Lindsey fights her traitorous attraction to the virile highland warrior, vowing never to lose her heart to any man.

Wendy says

Lindsey MacDougall is a spirited young woman whose expertise with horses rivals a warrior's skill. Courageous and clever, she serves as a messenger for her clan's warriors and helps an imprisoned warrior, Logan, escape from a brutal captor's dungeon. Despite the dangers they face during a time of rebellion, love blooms between Lindsey and Logan, but as an illegitimate son, Logan believes he can never have the woman he loves for his own. I greatly enjoyed reading Lindsey and Logan's love story. Lindsey is a strong, intelligent heroine, and Logan is rugged, appealing, and honorable. "Lindsey" is a terrific historical romance that blends a love story with adventure.

Jennifer Coleman says

Awesome series! Now awaiting Elspeth!

Samanthya Wyatt says

Love Lane's Medieval books

Lane draws the reader in at the very beginning with a sense of danger and mystery. The third daughter of Alastair MacDougall is willing to risk her life to save her love. Enjoyable read.

Marie says

Spirited

I loved Lindsey's high spirit. Logan is adorable! What women wouldn't want a man that treats her like a princess? There wasn't much I didn't like about this story. The only problem I have with this, and the other books in this series as well, is that the women back off and become almost instantly submissive to their men, giving up their battles they fought so strongly for when they were single ladies. Lindsey easily gives up running messages to Hamish. I would find it difficult to give up something so important. To suddenly not be so involved seems almost like the ladies changed personalities. Stories are well done and are highly entertaining. I recommend this book for adult readers, 18 and over who like a fairly distinct Scottish base. Well done Ms McFarland.

Anastasia says

A very good series overall; however, Lindsey's story was my favorite.

Darlene says

Another 5 star review for the 3rd book in this series!

This is the story of Lindsey..the 3rd sister and 3rd daughter of Alistair McDougall. This is the story of a strong woman who doesn't sit by and watch the destruction of the Scots by the English! This is her clan and she vows to do everything in her power to protect them..including some things that a woman has never done before! Lindsey and Logan's romance is a love of epic proportions!! I loved this book!!!

Shelley says

Heart warming.

I wanted to join Lindsey in helping the Scots. Logan should have known better then to tell Lindsey no on anything but he learned. My heart went out to Logan and the others for what they suffered. A must read.

Nicole Laverdure says

Captivating!

LINDSEY is the story of the spirited Lindsey MacDougall, a strong heroine. Again, Lane McFarland didn't disappoint me with her third book in her series The Daughters of Alastair MacDougall! Lindsey's life will intertwine with Logan Ross, a virile Highland warrior. This young woman is a rebel amongst a world dominated by men, but she is headstrong and determine! But will she loose her heart to this charming man? Just follow their journey! A perfect Scottish romance, filled with adventure and passion! Looking forward to read Elsbeth's story! Lane McFarland is a very descriptive writer and I really enjoyed her writing!
