Ireland Johnson says

4.7*

Andrea says

Can't wait for the next one!

Viola says

This graphic novel series was fun. Apparently there will be another book. I was disappointed that Book 7 ended with Emily transformed into an evil creature. She's such a quiet, serious, and kind character, but because she couldn't control her powers, the stone overtook her. I didn't like finding "to be continued..." on the last page. It's going to be hard to wait for the next one to come out!

Calli says

I think it is good.

Jen says

Less of a fun read than I expected.

Gavin says

This book reveals a lot of themes. Example, it is like and adventure mix with fantasy.
