Becoming a Woman of Beauty Strength: Esther

Elizabeth George

Becoming a Woman of Beauty Strength: Esther Elizabeth George

Esther was in the right place at the right time. When God's guiding hand made her queen over a foreign race, she used her influence to save her people. Women of every age and walk of life will discover how to—

cultivate an abiding trust in God

depend wholly upon God in prayer

prepare for and persist in the assignments God gives

As women are obedient to God's leading, they will find strength and inner beauty flowing through them as they positively affect the lives of those around them.

Amanda Tero says

This is the third or fourth Bible study book by Elizabeth George I have done, and I have found them continually helpful. I love how she gives Scripture references for readers to look up and apply both to Esther and also to their own lives. So it's not just a study of Esther -- it is a study of what God's Word says about character and how we can apply it to our lives.

"Action also speaks of value. It means we value something enough to try rather than tire, to get up and go on rather than give up."

Rosa Cline says

If you have wanted to do Bible study but felt you didn't have time to do justice to the study. Ms George does a wonderful job at putting this study of Esther into segments that can be studied in about 15 minutes. She writes the reviews and adds questions that you can answer includes the actual scripture from the Bible so that way if you want to take this devotional with you on a bus ride or whatever you wouldn't have to take your Bible too (if you didn't want to). In this devotional she also includes additional scripture you can look up in your Bible to continue with the lesson being learnt. Very nice read-devotional.

Sarah says

Another great Bible study by Goerge. I loved how she brought in the proverbs and sections of the old testament to shine a light on Esther's character.

Two interesting facts I learned that were not in this book but because my friend Kelsey and I did some extra research.

The reach of the Persia-Media empire was huge. If the decree to kill the Jews had gone forth, it would have effectively wiped out all of them.

Some scholars think the book of Esther was the official court record that Mordecai had made. To preserve the true story, he refrained from mentioning God. So, the story would be preserved in the royal archives.

Katie Axelson says

I read it in Spanish.

IrenesBookReviews says

I enjoyed this Bible study the most off all Elizabeth George's study books. There is great information about

the times and what was happening. She explains each chapter very well and I felt like I finally understood what Esther may have gone through. A great study!

Karen Kristie says

"No matter how hopeless our condition, or how much we would like to give up, we need not despair. God is in control of our world."

Liz says

Nice 25-lesson study through the book of Esther.

Emma Fischer says

This devotional book is absolutely great. It has relevant applications (which can be hard to find good ones in devotional books) and it also gives the reader more of an understanding of the book of Esther as she has pulled it apart.

Angela Good says

Excellent Bible study. Elizabeth's insight into the life of Queen Esther has challenged and convicted me in areas of strength and true beauty. Of course, it's God's Word speaking to my heart but HE used Elizabeth George to point me to Him!

Leanne Howard says

I read this book as a bible study last year. It was very good :)

Cristen says

these bible studies are practical and helpful in learning God's word. Her bible studies are made for women on the go with not a whole lot of time. they take about 20 minutes to finish and are bible based.
