There's Trouble Brewing in the East End...

Two families.

Only one can come out on top.

Dave Carter is king of the East End, but someone has their eye on his crown. Martin Morton is determined to make his mark and take down Dave Carter while he's at it. If anyone stands in his way, he'll wipe them out. But has Martin bitten off more than he can chew? When his own family start to turn against him, Martin realises there is trouble brewing in the East End in more ways than one.

Perfect for fans of Martina Cole and Kimberley Chambers.

Miss Dizzy Read says

An easy read, bit more basic than Martina Cole and Kimberley Chambers and a very rushed ending, would have been 5 stars if not for that, would definitely read more if she did more of this genre of book.

Hans says

This is about a turf war between two gangs in the London's East End. But there is so much more going on. Very fast paced and intriguing.

This is the first book I've read by this author it it certainly won't be my last . A well written book with just enough violence and shady deals from two separate gang leaders . If you like Martina Cole you'll love this book
