## **Inubaka: Crazy for Dogs, Volume 2** Yukiya Sakuragi

All alone except for her loyal mutt Lupan, 18-year-old Suguri moves from the countryside to the big city to find a job and a new life! When she accepts a job at a pet store, she meets a variety of dogs and owners, each with own quirky personality. What she lacks in

experience, she makes up for with her natural rapport with all things wagging and fluffy!

## **From Reader Review Inubaka: Crazy for Dogs, Volume 2 for online ebook**

### **Karsyn Taylor says**

The graphis in this are beyond amazing. They are so detail it's as if they are snapshots of the real thing, and don't get me started on the hilarious story line.

---

### **Sandy D. says**

Better plot than the first volume!

---

### **Sarah says**

Oh, the cuteness continues. Even though the main character, Saguri, is awkward, naive, and clumsy at times, she is an endearing character and I can't help but wish her success in her endeavors to find good homes for all the dogs in the pet shop where she works. This installment speaks to the goodness and happiness a dog can add to a person's life.

Parts of this one reveals some elements of Japanese culture with a guy who they call an idol and has a character who is a supermodel and amateur actress. Even though these two people are from completely different walks of life, they find common ground in the dogs that enter their lives. I like how the author incorporates facts about different breeds of dogs and matches up the characters' personalities with traits that the different dogs exhibit.

---

### **Michele Allen says**

This book has such sweet moments, but many comedic bits thrown in as well. I love the pace of the stories...never lagging & always wrapped up at the end.

---

### **Ken Yuen says**

Liked this one better. Having worked at an animal shelter, I do like the way the story covers the wide range of different owners and dogs and their situations. They feature photos of real pets at the end too, which is nice.

---

### **Nicole Hewitt says**

This volume was pretty comparable to the first. Lots of information about dogs mixed in with the storyline of Suguri getting used to her new job at the pet shop. I thought that the commercial recording was really cute, and it was sweet that the actress found a new pup to love after hers died.

---

### **Cristal says**

i love this book

---

### **Shanelle says**

I really enjoyed reading "Inubaka: Crazy for Dogs" as it brought me a new appreciation and love towards dogs. The storyline is quite unique and I loved the humour throughout the series, which never gets old the more you read the books over and over again.

---

### **Holly Letson says**

I really enjoyed the part about Yamarin and Lucky. Sadly, Yamarin's previous dog had died, so she was crying whenever she saw dogs. But, luckily, Lucky turned out to be the perfect dog for her.

Also, I'm curious about what will become of Suguri and Kim. Another death mentioned in this volume is the elderly man that buys the Shiba puppy from Woofles. Luckily, Kim volunteers to take care of the puppy.

---

### **Brandi Jones says**

Poor Suguri being pressured to make a sale... anyway, loved the characters introduced in this book.

---

### **Antoinette says**

Made me tear up at some point. Liked it less than the first one, but still made me happy. I can't wait to continue the series!

---

### **David Doel says**

Continues to introduce new characters with mini-stories. Enjoyable reading and provides instruction to pet owners.

---

**narajaponesa says**

Enjoyed this one more than the previous volume, which clearly set out to make me cry. No dying puppies, please! And yes, this one did refer to a cute dead dog but at least we didn't get to know him and love him the way... Oh god!

---

**Jackie says**

Fast and fun to read. Full of cute dogs.

---

**Wendy T says**

Not my kind of read.
