**Keisha & Trigga 2 : A Gangster Love Story** Leo Sullivan , Porscha Sterling

Trigga can show you how to love a woman, but Keisha can show you how to love a thug...

After finding out that Mase is not only working with Lloyd, but he is also Trigga's twin brother, Keisha's left with a tough decision - should she trust her mind that tells her to leave Trigga alone and escape while she can, or should she follow her heart and stay with the man who she finds out will stop at nothing to protect her? And even if she finds an answer to that question, how will he react when he finds out that she has a connection with Lloyd that he knows nothing about?

Trigga is in a constant battle of wills. His mind tells him to leave Keisha alone; she's a distraction that he can't afford to have, especially now that he is dealing with the betrayal of his brother. But the feelings he has for her commands him to do otherwise. And the more he thinks about Keisha, the stronger his desire to protect her from the situation he created and the deeper his feelings for her grow. In an effort to pull back on his feelings, he turns to Tasha who is supposed to be a one-night-only kind of fix. But when his involvement with Tasha lasts for more than a night, Trigga finds himself in a deeper situation. On top of that, there is still the situation with Lloyd and Queen....Can he juggle it all?

In this second segment of Keisha & Trigga, there is a constant struggle between logic and love as everyone struggles with whether to follow their mind or follow their heart. Can love conquer all? Find out in this second installment of Keisha & Trigga.

Yassssssss

Two of my Favorite Authors brought this book to life. It picked up right where it left off flowed great and brought more drama. Trigga is a BEAST and a smart one at that. Keisha keeps him grounded and soothes the Beast within him. I cannot stand LLOYD he is beyond deranged and I hope he dies a horrible death. As for Mase at first I wanted him dead but I really think he just needs help. He is a follower with no direction. Please please please don't keep me waiting to long for the next installment. I need it ASAP.

I laughed just about every time Mase was up to the plate. He was a hot mess if there ever was one. I thought for sure that Trigga and Keisha would work it out but I think Trigga should've fell back and let her get some time to breath after everything she went through, even if it was partially her fault. Lloyd really clowning in this one with the mess he did to Dior and the baby. I was so rooting for Kenyon but he just had to make that move, hopefully him and Dior and Karisma will end up okay but I doubt it. The mentioning of Queen again had me thinking back, I thought this Queen was actually Kadisha from A Gangster's Daughter but the brother's name was Ike so maybe it's not. Either way good read I read the next one.

Wow I'm so mad at this book right now. Trigga and Keisha are making me mad. The drama and the secrets was beyond me. I can't wait until Mase gets wats coming to him and then Llyod yea I want him to die. I feel bad for Dior on all different kinds of levels. Then Keisha and Trigga just need to give it up and be together already. That ending I wasn't expecting but I can't wait for part three

#### **Great Read**

Oh this was so hilarious. It had me laughing. Keisha and Trigger are too cute. But it was full of drama and murder too. Tish is funny also. I can't help wondering about Tasha though. Who does that? She got what she deserved. She didn't know Trigger like that. I Loved the court scene so much, i'm gonna read it again. I was reading this nonstop so now I'm mad it's over and there's no part 3 yet. I hope it won't be too long coming. I know it's going to be the shxx!

### **Oh my goodness!**

I wish Lloyd would go away already! I also don't like this Tasha girl. She's too street smart to be as naive as she portrayed herself. I can't wait to see what happens next.

### **Good book**

Loved where the book began from. I really thought Keisha & Trigga would get together. They both still letting things get the best of them. Queen has finally let Trigga know she is not playing with him. Lloyd is out of jail & now he wants to finish the job he started. Mase feels like he don't exist when Trigga is around. So he has crazy things going on in his head. Trivia gets caught up in so much that he is not sure of what is happening to him. Now he is about to be arrested & not sure of the outcome. Good book now on to part 3.

### **Yasss**

Part 2 picked up right where part 1 left off. Drama, drama and more drama. Trigga and Keisha are like Beauty and the Beast. I just love them. I love them together. I hope that they can get it together and finally be happy. I can't wait to see what happens next. Leo and Porscha, please don't make me wait too long.

### **I hope they'll finally find some happiness!**

I see Al with his little cameo! I need Burns to fall back because he's trying too hard to put an end to Trigga. Oooh Tasha played herself and wanted to be hurt. That's what she gets for coming off the way she did. Mase

truly is one dumb dude! How he could have so much hatred for the one he needs the most was baffling. Queen knew she was wrong for how she handled Trigga. There were times Keisha pissed me off and I felt she needed to grow up. Lloyd needs to die already and I can't believe Luxe is so dumb. I'm just ready for Keisha and Trigga to finally be able to find some peace in their love story. I can't wait to find out who the witness is and if Trigga can finally complete his mission without anymore mishaps.

I can't wait to see what will happen with him n Lloyd,( I can't stand Lloyd) and his brother Mase, the suspense is killing me. Even to see if he n Keisha will finally be together, i hope so. #### **Getting good**

Mase is a backstabber and deserves whatever punishment he get. Lloyd is ruthless. I like Trigga and Keisha together if they can only get it together. Keisha should have told Trigga about her and Lloyd's history together. Now on to book 3.
