Sinful Rapture Alexandra Ivy

A TASTE OF SIN

Holly Sullivan has always been the good girl. She follows the rules and does her best to please her father. But what has it gotten her? Her father sells the company she assumed she would inherit to gambler Liam Conner, and her fiancé jilts her at the altar. Why not spend her non-wedding night at The Playhouse, the most notorious sex club in Nevada, indulging her deepest desires?

A DESPERATE GAMBLE

Liam fell in love with Holly at first glance. Unfortunately, she hates him for buying her father's business. Even worse, she refuses to admit their mutual desire. Then he's given a second chance to claim her for his own when her worthless fiancé dumps her. Following her to The Playhouse, he devotes the night to fulfilling her fantasies. But will she forgive him when his secret is revealed?

Sully says

I enjoyed the short story of Liam and Holly.

Lisa VH says

I read the first one as part of an anthology so I knew I had to pick up this one. I love the steamy/suspenseful feel to this book. I fell for Liam...big time!

Dulcinea says

Sinful Seconds

Sexy, steamy; very much linked Liam's character - arrogant, demanding, tender, caring

Djg says

read in the the Sinful Seconds Anthology

Holly is jilted on her wedding day and heads to the Playhouse to forget her troubles.

Her rich boss Liam has had his eye on her for a long time. Problem is, he bought her father's casino but kept her on and her disappointment at not having been given the business by her distant father has kept her disliking him.

There is hot sex in this story and Liam is a dreamy hero. Really did not like Holly, didn't hate her she was unworthy of Liam in my opinion.

Still, the story was entertaining

I m luvin this series this book was just as good as the first maybe better again characters were great luvd holly if felt so sorry 4 her but Liam was so carin an just wanted her 4 so long they make a great couple an the sexy time was hot I luvd how they got 2gether I luv another book of there story there is more room 4 another book fingers crossed xxx

Jessica says

I really enjoyed reading Holly and Liam's story, I'd definitely pick up another book by this author.

Michelle says

This was one of my favourites from Alex, looking forward to more in the series!

Christine Woinich says

This was a quick hot read. I usually prefer more "getting to know" the characters, but still enjoyed this.

Andi says

I read this book as a part of the Sinful Seconds anthology. I liked this series by Alexandra Ivy. To me, this was the ultimate Knight in on a White Horse story. I loved Liam and his entire family. His entire outlook and approach to the situation made me want one of my own. I also like the family dynamic and how they shaped Holly. The only thing that that stood out to me was how convenient everything worked out how he had it planned. It was a stretch to believe he could have everything come together so well. But then that is what made it the perfect Knight on a White Horse story.

Erin Burns says

Holly is having a bad year. Her father sells his business out from under her to a man she thinks she can't stand and today she's been jilted at the altar. She just wants to let her hair down at the club when in walks her new boss. Enter Liam, he's achieved all of life goals except one. This is a quick read with a bit of kink and some pretty extreme emotions.
