## **A Midwinter Night's Dream** Tiffany Reisz

USA Today bestseller Tiffany Reisz turns back the clock on her Original Sinners series to the Victorian era in this kinky Christmas romance...

Two days before Christmas 1871, the newly-minted Baron Marcus Stearns returns to London for the reading of his long-estranged and much-despised father's will, fully certain he will inherit nothing but the title. He receives the shock of his life when he learns that he and his sister Lady Claire will only inherit their late father's vast estate if he marries—immediately.

Kingsley, the Baron's lover and devoted valet, offers a simple solution to a seemingly Herculean task—the Baron should simply marry his beautiful ward Eleanor. Yet while the Baron longs to do just that...he possesses a dangerous secret that threatens to destroy their marriage before it's hardly begun.

Written in the spirit of "Once More, With Feeling" (the musical episode of BUFFY THE VAMPIRE SLAYER) and "Atomic Shakespeare" (the legendary "Taming of the Shrew" episode of MOONLIGHTING), comes A MIDWINTER NIGHT'S DREAM, an Original Sinners Victorian Christmas novella.

## From Reader Review *A Midwinter Night's Dream* for online ebook

CC says

Set in 1871, Baron Marcus Stearns travels to London for the reading of his late father's will. As he is informed of a unique condition that must be met before inheriting the family estate, Søren must make a swift decision in order to protect his sister and the ever-precocious Eleanor. Of course, Kingsley suggests the obvious choice to Søren, but he wants to shield Eleanor from his darkest secrets.

“You are one of those wicked lords who takes poor girls off the streets and does all sorts of nasty things to them.”

An Original Sinners Victorian Christmas novella, this short but stimulating story satisfies in so many ways. With the essence of this kinky trinity etched into every page, it was immensely fun to read how they are immersed in a different era with rigid societal rules. Of course, Søren, Kingsley and Nora make their own reality and that's what always makes these characters intriguing and endearing.

In *A Midwinter Night's Dream*, Tiffany Reisz successfully pens a tale steeped in fantasy, eroticism and witty dialogue.

Ugh. You start reading and smiling and loving and dreaming and bam it's already over!!!  
I think we need a new law that says every Original Sinners book has to be at least 500 pages!!! A thousand even!

I just love Søren + Kingsley + Nora so much!

And I was so happy for them in this story. I kinda wished that it was real. Everything would've been so much easier and less heartbreaking for all involved. Especially the reader. BUT - it was only a little Holiday Fantasy ...

BEAUTIFUL STORY!  
This series can't ever end!

---

### **Giedre says**

3.5/5

Original Sinners Victorian Style. Those pervs fit right in. Ha. What a surprise.

---

### **Jen says**

Nora, Søren, and Kingsley - need I say more? What an absolute joy to find this gift in my email today. I was done with it an hour later, and I loved loved loved it! This year's Christmas story was well written and extremely engaging for us 8th circle trinity lovers. No spoilers, just go read it now. You won't be disappointed.

All the stars ?

### **Dα?ιjα says**

It seems Kingsley Edge will be in *A Midwinter Night's Dream*, so I look forward to any and all perverted things I find on the pages of this novella... was what I said before I read it.

What do I say now that I have? Hmmm...

An odd little story.

I smiled when I read the blurb for this *Original Sinners* novella. Too bad it was 3 AM when I got the email, otherwise I would've jumped right in.

The author warned her readers several times this story would get weird. I didn't think it was while I was reading it. It wasn't until I was done with it, and thought about what I read that that word came to my mind: Weird! How could it not be weird to read a story in which Nora and Søren get married, and Kingsley is Søren's valet/lover formerly known as Princess?

It was them, but in new roles. It was strange... Dreamlike...

In any case I prefer Kingsley as King, no matter how fetching he must've been as Princess.

How could I not love anything that had the unholy trinity in it?!?! Honestly, I'll never get tired of reading about Soren, Kingsley and Nora!!!! They are up there with my all time favourite characters and this novella was just a perfect winters tale with a balance of heart warming story and erotica! What more could a girl ask for? Definitely worth reading. Loved loved loved it ♥?♥?♥?

### **Michele says**

My Christmas reading list wouldn't be the same without something new from Tiffany Reisz revolving around her Original Sinners cast; particularly if it's about Soren, Eleanor and Kingsley. A Midwinter Night's Dream combined the Victorian era with Reisz's tempting erotica, weaving a tale that held me captivated. This fan favorite trio of characters were at their witty, naughty best. But there was still a lovely message and more than a bit of Christmas spirit, giving this a touch of poignancy that will touch your heart.

### **Jennifer says**

Original Sinners rejoice!!

Tiffany Reisz gifts her newsletter subscribers a new Original Sinners short story every Christmas and they are always the perfect fix to get fans through another year of homesickness from these well-established characters. A Midwinter Night's Dream is Reisz's 2018 gift and it is perfection!

A Midwinter Night's Dream is a very Victorian retelling of the history and mechanics that make up the trinity of core characters in this collection. Søren, Kingsley, and Nora become Lord Marcus Lennox Søren Stearns, his valet Kingsley, and his 19-year-old ward Eleanor, a former pickpocket. There's a wedding, French pornography, and a pair of leather gloves that are put to good use. Sound interesting? Check it out.

**My favorite quote:**

*"Love is a sacrament."*

---

**warhawke says**

**Genre:** Erotica

**Type:** Standalone novella from The Original Sinners series

**POV:** Third Person

**Rating:**

The unholy trinity is back - in Victorian time. Nora, Soren and Kingsley has been my dream team since I first encountered them in the Original Sinners series. I love how they had this special relationship with understanding and compromise between them.

*"No, I am certainly flattered that you think I could leave you. Even if I wanted to, I couldn't. My love for you is a beast so unholy strong not even Hercules could slay it. Now that I've said that, I imagine Hercules was a mythological figure who also must have had an enormous cock."*

This book was like the beginning of their relationship but in alternate Victorian reality, which I love but I do wish for a little bit more of the historical elements. Kingsley was of course as amusing as always. I like the storyline and these characters never failed to make me all hot and bothered.

*"I've wedded you and worshiped you with my body," he said. "Now it's time I endow you with all my worldly goods. And so I give you Kingsley, the most valuable of all my worldly goods."*

A Midwinter Night's Dream is a perfect little Christmas gift to the fans of The Original Sinners series.

## **Myla says**

**What a treat to read this novella a night before Christmas -- a very different Christmas story. It is hot, kinky and with witty dialogue that will put a smile in you. If there's one thing I'm sure of is that, I'll never get enough of these characters. So, if you're a fan of Soren, Nora, & Kingsley this is another fantastic novella that you'll definitely enjoy as much as I did.**

“Marriage isn’t evil.

Boring, useless, and monotonous, but not evil.”

- Kingsley

\* \* \*

“Just get married? Wonderful idea. Tell the driver to stop by the Bride Shop. I need to buy a bride. We’ll take two. One for me and one for you. Perhaps a third to keep as a spare. Grand idea. Brilliant.”

- Søren Stearns

\* \* \*

“Everything. You asked my price. My price is everything. I do want a true marriage with you and everything that comes with it, including your secrets.”

- Nora Schreiber

\* \* \*

“Yes to everything you ever want from me. Anything you wish for, hope for, dream of...yes to it all.”

- Soren Stearns

\* \* \*

“I’m supposed to be her guardian. How do I guard her from myself?”

- Soren
