i thought this book deserves a rating of 5 stars because i have loved this book/cartoon for many years/year.

#### Paulina says

Me gustó bastante. Continúa el conflicto con la bolsa y Fiin y Jake intentan resolverlo. Pero creo que estéticamente me gustaron más el de la lavandería y el post concierto de Marceline <3

Super fun and super fantastic. Really gets into that comic mode and breaks the fourth wall, but does it pretty well.

Was surprised Magic Man guessed what I guessed, but that's MATH!
