American Gods: Shadows #3 Neil Gaiman , P. Craig Russell , Scott Hampton (Illustrator) , Walter Simonson (Illustrator) , Glenn Fabry (Illustrator)
Neil Gaiman's essential story now in comics!

After a bizarre encounter with his dead wife, Shadow Moon is eager to flee Eagle Point and put the past behind him. In Chicago, he is introduced to an eccentric family who seem to be a key part of Mr. Wednesday's mysterious plans.

The Hugo, Bram Stoker, Locus, World Fantasy, and Nebula Award-winning novel and upcoming Starz television series by Neil Gaiman adapted as a comic series for the first time!

* A Starz TV show!

“An atmospheric, beautifully illustrated take on Gaiman's story.”—AV Club

Geoff says

I love this graphic adaptation to one of my favorite stories.

Casey Anderson says

Enjoyed this one a lot. I felt like this is the first one where we really get drawn into the world that he is building. It's here where I started to feel the magic I know is part of this story.

Sans says

Yeah, so I actually forgot I had read this last week until over half way through. Here's hoping the next issue is a bit more memorable.

Juan Carlos says

Lo más destacado de éste número es la minihistoria de los vikingos vs indios.
Por lo demás, la trama de Sombra y Wednesday mantiene el interés, aunque creo que ésta serie ganaría mucho en tomo o leyendo varios números seguidos.

Aron says

This is good, & maybe it's gonna be real good, i don't know for sure since i haven't read the novel but I'm starting to think this might be one I'd rather read as a trade & save some money. It's interesting, but definitely a lot going on that I have no idea where it's gonna go & stories that are like that I prefer to binge read as opposed to reading an issue at a time monthly.

Patrick says

Meh. So far I feel like the book and the show both told this story better.

But it isn't bad.

Lisa Macklem says

Still really enjoying this series. Of course, when you usually wait to read the collected graphic novel, reading the issues as they come out is painfully slow.

John says

I really enjoyed both the story of the past and present in this one. I think I may just have to read the novel eventually.

Renee says

Not too much activity in this issue. Lots of backstory, exposition and seed-planting. This issue felt like a stepping stone for bigger things to come...
