A.S.S. Astermine's Secret Society T.I. Wade

“A.S.S.”

It all started when several, mostly male, human space voyagers travelled through the vast distances of our solar system and had far more time on their hands than was fruitful.

This is their story, and why life sometimes gives us a perfect pitch at the perfect time.

Chris says

It was ok, T.I. ended this series with only Ruler Roo left, Roo at the end of the book was the only one left in A.S.S. There are no more members of this society. When Roo dies there goes A.S.S. Poof!!! gone. Series complete.
