Bonnie Bliss

Crave Bonnie Bliss

A deal was made centuries ago.

The deal was for the first born in each generation.

The soul of that woman was owned from birth by the ultimate beast. The Devil.

Elizabeth Cromwell knew growing up that she was different. The day her parents failing business suddenly took a turn for the better in an economy where it shouldn't have. She was told of her fate. She was owned by the Devil. From the day of her birth she had no future.

It was his.

Unwilling to give into the rough seductions of the ultimate evil—she ran. Living in a convent in the secluded town of Neive, Italy, with only the aid of faceless man over the computer—she hides.

Until the day he finds her.

Sex. Lies. Betrayal.

The fight for her Soul and future begins now.

This story is not for the faint of heart. This is considered a Dark Romance between two people that should never happen. It contains content which may be deemed inappropriate for some readers.

Johnnie-Marie Howard says

Omg Wow. WOW and Wow!!!! This was a really great hott and *blush* sexy story. I can't get over how red my face was during this hole story. From page to page and cover to cover it was red, It only took me a few hours to read the whole thing but I did red faced and all. I do feel I missed some things towards the beginning. The author has a very great deal with putting the words on paper the flow of everything was perfect.

***I received this story for free in exchange for an honest review, see more of my review @ <http://jmhoward2007.blogspot.com> ***

Angela Cruz says

This is an dark erotic paranormal fiction. This is the first book in The Devil and the Diamond series. It is a short story and can be read in one day. This is a cliff hanger..(I was so mad! I need more Bonnie Bliss, get to writing lol) I can not wait till the next book! I am a lover of paranormal books but this one caught me off guard. I was nervous to read this book, I did not think I would like the book being it is very... lets say not for the faint of heart. But I was surprised, it is a very entertaining read. This book is for adults only, this is very sexually descriptive. Some mouth falling to the floor action in the book... again not for the faint of heart. I really hope that Elizabeth can keep up her fight and not give into her cravings. And I can not wait for more info about Jared, he was like Elizabeth's secret weapon. And as much as I hated Asmodeus, towards the end I wanted to see what his next move was, too bad he is the devil.

This is the story about Elizabeth Cromwell, she has a major problem, she is promised to Asmodeus also known as the devil. Her bankrupt ancestor made a deal with him, the first female born in every generation is promised to Asmodeus. But she will do anything to escape from his clutches, she will not be bond to the devil. She thought she had her parents support only to find out they sealed the deal when there failing business started profiting. She has no one to turn to expect her mysterious hero.

Even though she does not mentally want to be with Asmodeus, she still physically craves him. Her body responds eagerly to him. She is constantly in a fight with herself not to submit to him. And she is trying to find new ways to hide from him. Asmodeus is not one that takes no for an answer, everyone willingly gives what he asks. Elizabeth is a challenge and he loves that about her. The devil will never give up his right to claim her. Even if she did not make the deal, he wants payment.

favorite passages:

"Without an utterance of complaint, she lifted up her clothing, exposing her bare skin and delights."

"You will desire me in every way until the day you die."

"I am the devil, the dark lord of everything cast out of the light and I am here to present you with an offer."

"Devils come in many forms."

"I am no bird; no net ensnares me: I am a free human being with an independent will."

"Elizabeth was an exception to this "deal"."

"Forum searches on the web led her to a faceless friend."

"She was her own person with her own soul. Some fu**tard from the past couldn't make a choice for her future."

"Elizabeth's eyes read like an open book."

"Lost to the faux beauty that taunted her outside the window, she didn't notice the knocking on her door."

"Refusing to be trapped in a cage, she slowly rose to stand."

"You will be the most sweet of all."

"Some a**hole that couldn't handle going bankrupt after the war sealed my fate and that's a load of bullsh**."

"Obsession was a strong word, yet he wanted to devour her at every opportunity."

"Her soul is mine, mine is hers, it is a beautiful, unique state of being."

Misty Mclendon says

This was one of the darkest themes I have read and it made me squirmy but in a really good way! From start to finish it was molten hot and I couldn't put it down. I honestly wasn't paying attention to how far I was in this book and when it said to be continued I was sad!! The subject matter isn't for the light-hearted but it keeps you entranced the whole time. I cannot wait to read book two now!!

Reviewer for Paranormal Romance Authors that Rock

5 Fangs

As soon as you start reading, you are drawn into the Devils dealings.

Promised, generations before her, Elizabeth new, that she had to fight to be free of future that had already been written for her. Asmodeus is relentless in his pursuit of Elizabeth.

This first instalment is not for the faint hearted. The sexual content is off the charts, but the story behind it, is ultimately one of self acceptance, a desire to find a truth instead of a promise.

I liked that even tho there were multiple sex scenes, there was still a story that was there and it didn't rely on the sexual acts to tell it.

I can't wait for the next one... :)

~ Cariad ~ says

I was sucked in by a good cover and a blurb that held dark, erotic promise...

Unfortunately it's about as erotic and well written as gratuitously bad 80's porn. Nuf said?

~Book offered by the authors in return for my honest review~

Terra Oenning says

I was given this book for my honest review and omg I am so ready for book 2.

A Deal made with the devil a long time ago for the soul of the first born woman and on the 7 (last one) he would make her his wife.

Elizabeth Cromwell has been in hiding and trying to figure out a way to get break the contract with the devil. only she craves his desires and touch but fights it and tries to get away from him but there is no escaping the devil he is everywhere.

I loved the chemistry between these two and once you start reading it you'll CRAVE For More.

Jennifer Greeff says

What a crazy unexpected read this was. I can't say I've read a Dark Erotic novel before and if I have it was nothing like this one. Crave is super short and crazy easy to read but the story packs a punch.

It's simple really, the Devil came to a plantation owner/slaver back in the 1800's. He agreed to end his cash draught and make him wealthy beyond his and his future descendants wildest dreams. The catch? Well the Devil of course wants something in return, the King of Darkness wouldn't give all that away for free. The catch is that for 7 generations the women of the Cromwell family will be slaves to the Devil and when the 7th generation is born, she will be the one that when she comes of age will be his bride and sit by his side to rule the Underworld for all eternity.

Elizabeth Cromwell just wants to be any other girl, graduate college, get a career that pays dismally and try to make something of herself. She never asked for her families curse. She's spent her life since coming of age and learning of this dreaded curse, trying to run and hide, but you can't hide from the Devil. Oh man ... can you not hide. He can snap his fingers and make your clothes fall off, literally. He can make you see the most debauched acts you've ever seen people involved in. He can consume you in your sleep and when you wake up you feel everything he's done to you.

I love Bonnie Bliss' description during the sex acts. The characters do the most depraved and raunchy types of sexy acts but that's what makes this so much fun to read! Sure, you might occasionally feel dirty for reading them but it's all in good fun for the Devil, nobody really comes to harm in these scenarios unless he is provoked. Like I said, this story was short, I need Book 2 now, and I can't wait to see what happens when the Devil comes for Elizabeth once again!

Amber says

I wasn't sure what I was going to think reading this but I was completely surprised. It's deeply disturbing and erotic and I couldn't put it down!

It definitely is not for those faint of heart. I was extremely intrigued by what was happening with Elizabeth. I really like her and how strong and determined she is. In what seems like an impossible fight she doesn't lose her with. I really liked her spirit.

I was shocked too at how much I liked Asmodeus. As much as I should hate him I was intrigued. He's the "Devil". But there's just something very charismatic about him. I want to know more. He really stole the story. It does end on a cliffhanger. So I'm anxiously awaiting the next book. I can't wait to find out more about these characters and the mysterious Jared whose trying to help Elizabeth break the deal.

Babel says

I've just finished reading this hot, fun and evil little story about the biggest sin of all: lust. It's not simple lust either. No, it's the devil's lust for his own bride.

Crave is the first installment of a serial, though I don't know how many parts it has. Asmodeus is a smart guy who tempts human kind with what they most crave. Success, money, power, no fear. Just for a price, a morsel really. Souls

I liked the kick start. A slave owner is offered everything in exchange for his female first born, and everyone after her for generations. Until the seventh girl who will become his queen.

Nowadays, an independent woman with more courage than chances, Elizabeth challenges the devil's plans for her. She won't be tempted nor enslaved.

This erotic tale was feisty and fun to read. Lots of graphic, steamy scenes as the devil pursues his unyielding bride to a convent in Italy. Pretty much porno material on all accounts. It was fun though to see poor Elizabeth squirm in her dreams when the devil can touch her. She tries to outwit him with the help of someone she contacted on line and who feeds her info on ancient rituals to get rid of unwanted fiendish attention. There was also some hope of the devil having a tiny bit of a slice of heart. Can the dirtiest sin of all be tamed by love?

Best:

- Sleek, bad boy devil too hot to bear
- A heroine who wants to say yes but knows best
- Can we tempt the devil into a good enough bad boy? Let's hope so or we're doomed!

Worst:

some cheesy atmosphere along with porno flick material

Recommendations: For those times you want a quick and anti-boredom way to touch your basic instincts, or if you like your erotic reads with a naughty mystical flair.

LBAS Book Blogs says

First, I've got to say this book is not for the faint-hearted or easily offended. It is dark romance that will make you queasy in places and with regards to its blasphemic (is that a word?) references.

That said, this is a well-written story. I really loved Elizabeth and her fight to break the deal made by her fore-fathers to giveaway their first born daughters to the devil in exchange for wealth. Unlike her fore-bears, Elizabeth doesn't want to be used as the devil's whore, even though he promises to make her his queen. And I don't blame her. No matter how tempting the man or devil, nothing beats being able to choose who you give your body and heart to.

Asmodeus is a tempting as they come and also as devious. He uses several ruses to try to get Elizabeth to succumb, including the nuns who were supposed to be giving her shelter. I felt a whole lot better when I realised the nuns were never really true nuns, otherwise it would have been a little bit too far for me.

Did I like Asmodeus? No? But I liked that we got to see things from his point-of-view too. Do I want Elizabeth to get away from him? Yes. But I fear it might be a little too late and that she is already lost to him. The devil is very devious and he would use whatever means to get her. Even using charm and seduction as opposed to force.

But we will have to wait for the next book to find out. Yep, this ends on a cliff-hanger. Anyhow, I'm hooked and I can't wait. A solid read.

Ashley says

DNF @ 4%

Lost interest in a few pages, maybe I'll come back to it and give it a better chance next time!

Kimberly says

This was a Hot book! The devil made a deal centuries ago with a farmer that he would have every female born of the Cromwell line. The 7th one born would be his diamond forever. Elizabeth fights the devil every step of the way. I was hooked from the first page. Cannot wait till the next part comes out as this is a short story and leaves you with a cliffhanger. I am rooting for the devil and Elizabeth. They have extreme chemistry. The author did a great job and this is a 5 star book. Wow!

Chloe says

I read this in one sitting. If you like Paranormal Dark Romance. This is the book for you. It's based on Elizabeth Cromwell who is fighting to be fated with the devil himself. The sexual tension and explicit erotic dreaming of the devil himself make the book a scorcher. I enjoyed the book in one sitting and cannot wait for the next one.

Lacey Wolfe says

This was a hot book! The Devil made a deal years ago with a bankrupt farmer, and now he's come to collect what's his...Elizabeth. But this girl is tough and she isn't going down without a big, ass kicking fight.

This is the first in a new serial romance series from Bonnie Bliss and I sure hope she's got part 2 coming soon. I'm very intrigued by part one and curious where this story is going. Even though I should probably dislike the hero of the story...aka The Devil...I found myself eager for his scenes and how he was going to react to the things Elizabeth does.

Even though she despises him...she also can't help but crave him. There is a ton of sizzle in this story as The Devil shows Elizabeth just what he's capable of making others do.

I recommend this book to readers who like erotic romance, something a little darker, a unique story line, and of course Bonnie Bliss fans.

Nance says

Well I just finished Crave, it was a quick easy read. We meet Elizabeth, who is destined to be the Devils one true love, that I guess he more or less got because her good old Grandpa couldn't stand the thought of being poor... Elizabeth, I guess can be considered a modern day head strong woman but is still a prisoner (?) to her own sexual fantasies, and hence the Devil uses it against her to breakdown her stubbornness, and try to make her his..and some of those fantasies are HOT!!

The Devil, with all his powers, I especially likes his sexual ones :), I was actually surprised that he didn't seem to be able to read her mind, which I found kind of odd.. Must be some unmentioned free will thingy.. As the story begins you kinda want to hate him and hope he fails in his quest , but the more you read the more you kinda want him to win..

And this new unknown Jared, we, as of yet don't really know how he all fits in the story but I'm looking forward to reading book 2 to find out if he is her salvation or just her ride to Hell...
