Crocuses and Blackbirds: Free Preview of Part 1 (The Golden Path Quintet #1) Margaret Montrose

This is 1 of 3 parts of the first book in the quintet.

A Modern Magdalene is blown into Cathedral Close to be changed by its enfolding - to become a Madonna - then changes all within it as 'gods' are turned inside out to reveal eternal truths hidden for 2,000 years. This is not a religious series yet treats absolutely with what Man has always needed as phoenixes rise out of the flames of doubt in which my all characters re-creates the truth of himself in The Mystic Continuum of Humanity's search. This is not a Fairy-Story Stuff but that ultimate ROMANCE 'The Impossible Made Good' - to reveal 'LOVE'S ULTIMATE TRIUMPH' just as it says on the cover.
