## **His Hood Love Is Forever** Sherri Marie

Jamaica had the perfect marriage, at least that's what she thought. She had been with her husband, Jason, for years and worshipped the ground he walked on. Jamaica learns that the perfect husband she thought she once had isn't who she thinks he is.

When Jamaica thought she couldn't love again after finding out her husband's secrets, a King swept her off her feet, showing her that real love still exists, even if it's hood love. That's when everything took a turn for the worse.

Trust is broken, hearts are shattered, and bullets fly. Find out what happens in this hood love story.

**Excellent**

Jason is a salvage and deserves everything coming to him along with Asia & Paris...so glad King and Jamaica found each other can't wait for part 2 ?????

**Tonia says**

**Jamaican King**

Jamaica stayed with her husband for to long. It took for her to see Jason with her bestfriend not the fact he had made two kids. Hopefully she will get some sense. King needed to been done a background check on Paris

**KayKay Guice says**

**Ayeeeeee**

Now this is how you get a series popping. Paris is crazier than a run over dog, but I believe Dallas can be thanked for that. Jason puts the D in dog. Jamaica is a strong women because he and Asia both would've been napping together. King is about to reek havoc. #teamKing

**Abeni Gregory says**

**So much drama but loving every moment of it.**

Ok so clearly King was too blinded by the pussy to see Paris for what she truly was. And how the hell was she with Dallas and King at the same time?? Jason is a trip and Asia is scandalous as hell. I can't wait for part 2!!

### **Jeanida Luckie-Weatherall says**

This book was good from beginning to the end and I enjoyed every page. I couldn't put it down...a page-turner and then some. This book was full of twist, turns, lies, cheating, jealousy and so many secrets. Jamaica, deserves so much more than Jason and I was just waiting for her character to boss up. Jason was definitely a piece of work and then some and Asia was so scandalous as was Paris. Liked King for Jamaica and hope it all works out for them. I know it's so much more drama and suspense to come and I can't wait for PT.2. Job well done Sherri Marie.

#### **Good Read**

I was not ready for the shadiness in this book. Things that were revealed were crazy. I knew something was off with that so called friend Asia. She was foul and so was Jason! Jamaica deserved so much better then what she was getting. That man hurt her more and more throughout this entire book. He never once attempted to do right and soon realized he was going to lose a good woman only it was too late. I loved King. He was a good dude that was dealing with a snake. I hope things didn't end the way I think it did. Can't wait until book two.

**Greed is a serious disease!!!!!!**

Jason was a piece of work, but I believe Karma is coming just for him and Asia. Now Paris is just so stupid I can't wait to see how it all plays out. Jamaica she better toughen up because King is the man.....

---

**Alesia Russell says**

**It's getting real now!!**

Jamaica deserves so much more King is the Man or her. This was a great read. Both Jamaica and King were to trusting and it's coming back to bite them. Asia was really delusional, doing all she did to her best friend, but Karma is coming. Paris is just a snake that is due!

**Latoya says**

**Omg**

This book was so good I loved it from beginning to end can't wait for more I'm in love with these characters I need more???

---

**Denasha Smith says**

**What a tangled Web**

Jason was the most dirtiest disgusting grimeiest man ever. Who needs enemies with a friend like Asia. She should have been careful what she asked for. Jamaica and her being so naive was working my nerves. How many times do the signs have to be shown to you. Paris digging a hole so deep she can't come back from it.

**5 ? read**

This was a page turned and kept me hooked from the beginning. I was mad it ended. I just wished Jamaica wasn't so weak and had packed her bags and never went back. But King is my new book bae he came in and

gave Jamaica all the attention and affection she deserves. I love Kings mom she held no punches and told it how it was. Asia, Jason and Paris are the lowest forms of human beings I hope they all catch something and die. I hope everyone is alright. I need part two asap.
