Illicit: The Complete Series Ella London

The entire Illicit series, available in one boxed set...

One night with gorgeous billionaire Ethan Wentworth. That's all it took to ruin Harper Matheson's life.

One night of mind-blowing passion, and then Ethan disappeared, leaving Harper's body thrumming with desire and her mind swirling with questions.

Harper just wants to forget Ethan's dirty mouth and ripped body.

But soon she realizes that's impossible. Because Ethan isn't just some random guy Harper had a one-night stand with. He's the son of one of the most powerful men in the world, and her family's sworn enemy.

And the only thing Ethan Wentworth wants to own more than Harper's body... is her soul...

Illicit: The Complete series contains the following:

iris anstatt says

Great series

This was a very sweet love story. Ethan was the stuff every girl dreams about. A really good man. From the beginning to the end, Ethan was solid. This just made me smile.

Great story

I chose 5 stars because the author took the story to the very end. The characters were believable and made me want to root for their happiness
