## **The Corsair's Crown** IceraMyst

His companion is a man. A general. A noble. Not even human. The fate of their kingdom, awash in bloody war, hangs on their relationship; pirates, spells, and politics threaten to destroy them both. And all Calentine ever really wanted was to fish in peace.

\*Sequel to The Sailor's General Superior, slash, unrevised version\*

Words: 137,507 complete

## From Reader Review The Corsair's Crown for online ebook

### Rachel says

WIP that never finished P-ing...

---

### Vivian ?????? says

Note:

The original version is finished, however it is undergoing major rewrites which *aren't* finished. (And personally I like the re-worked version better).

Still fun as ever.

Thought: Get your bloody shit together please \*eyeroll\*. Idiots (fondly).

---

### Sabriel says

Its good but incomplete and i doubt it ever will be. Looking at the authors blog their last update on the story was 2 years ago and last personal update over 1 year. I suspect the author has either given up or died.

---

### Tia Pramudya says

I would rate 5 stars when the revised version is done.

---

### Ian says

[ Alim's gradual rise from harsh opposition to dubious friendship was lovely. I had suspicions such would happen, but I didn't wish to presume, and certainly was delighted to see it done so well. It isn't that such transitions have never been deployed before, but it's surely one if not the best of them I've had the pleasure. I love Alim. (hid

---

### Elfflame says

Story is incomplete, but lovely as far as it goes. I hope she someday finds her muse again and finishes this one.

---

**Alex Pedro says**

It's too bad this story seems to have been abandoned. I'd love to see it finished.
