# **From Reader Review The Legend of Zelda: Twilight Princess (Wii Version) - Prima's Official Strategy Guide for online ebook**

## **Forrest Filetti says**

I have the paperback one.  
It is still awesome!

---

## **Lauren says**

Nice guide and very helpful.

---

## **Asaxasa101 says**

didn't get to read it i mean what the fuck!@!

---

## **Ren says**

Love the game love the book

---

## **Eliexee says**

THIS WAS A STRATEGY GUIDE AND I LOOKED THROUGH ALL THE PAGES AND IT WAS REEEEEALLY COOL! Its BIG and hardcover AND IT HAD A MAP!

IT HAD A MAP! :D

---

## **Tamara! aka AmyG.Dala says**

Revised review as I had the wrong book and realized my mistake a day later, of course. This guide is colorful and quite helpful, and well worn now. Might have to invest in the hardcover edition (hint hint to family) and as usual, a bit helpful during those few extreme puzzling moments when that bit of help is needed. But, they do have some errors, one of which sends you to the wrong bridge top for a chest/item which made for some frustration as to where it really was. The typo's were a bit annoying too. I'll hope the hardcover edition is done better.

---

## **Bandita says**

This was great as a game guide - other than the momentary confusions. It told where all the items were at the right time to get them - not just an index in the back. It was really nice.

---

## **Peter says**

This game is really fun, just too easy. But Ganondorf was pretty good.

---

## **Dave says**

Once again I read and dislike a strategy guide, this one guiding (ruining) your Legend Of Zelda: Twilight Princess walk. Zelda games are RPG's, each with a unique storyline, each spoiled before your eyes after the purchase of a strategy guide.

---

## **Chasek says**

Once again, I haven't read it, but it looks awesome!

---

## **rhea says**

Marked it 4 because it's a strategy guide and while helpful and pretty, I believe you should play the game yourself at least once without help!

---

## **Billy Milford says**

My wife and I have spend a lot of time together playing The Legend of Zelda: Twilight Princess. She plays while I navigate her through the game with the (paperback version) guide. Mr. Hodgson gives very clear directions (using compass directions instead of saying "look left" or "run right" was a fantastic idea. If you decide to purchase one, get the hardback "collectors edition" because the paperback's binding does not hold up all that well. I still have all the pages, but 4 or 5 of them are loose.
