10 Granny Squares 30 Blankets: Color schemes, layouts, and edge finishes for 30 unique looks

Margaret Hubert

Crochet up to 30 creative blankets that start from just 10 granny squares!

The granny square is the perfect foundation for countless projects and is unparalleled for its portability, versatility, and endless variety. Using only 10 granny squares selected from *The Granny Square Book* and *Granny Square Flowers*, Margaret Hubert shows how you can crochet 30 completely different blankets. Each square is used three times with different yarns, color schemes, motif arrangements, and edge finishes.

You'll be amazed at the versatility of these squares! You can crochet blankets that are perfect for babies, boys, girls, college kids, and grown-ups. Some are crazy, colorful, and fun; others are serene, classic, and sophisticated. Crochet them for bedrooms, family rooms, or dorms. *10 Granny Squares 30 Blankets* provides enough designs to keep you crocheting blankets for everyone and every reason for years to come!

Marie Segares says

10 Granny Squares 30 Blankets: Color Schemes, Layouts, and Edge Finishes for 30 Unique Looks by Margaret Hubert is a lot like 10 Granny Squares 30 Bags: Purses, Totes, Pouches, and Carriers from Favorite Crochet Motifs. It's a collection of 10 granny square patterns, each of which is then made into 3 blankets. The blankets use different yarns, borders, and layouts, so while the granny square remains the same, you are able to get unique looks.

The granny square patterns include skill level and instructions written in US pattern abbreviations and international stitch symbols. There are 2 beginner squares, 1 advanced beginner square, 2 easy squares, and 5 intermediate squares. Each square pattern also includes a flat lay photograph of the square. After each square, 3 blanket patterns are presented. Each blanket pattern includes an introduction with a large picture, a supply list (including yarn brand, colors, and weight, and hook size), gauge and size information, and a skill level. The blankets are written in US pattern abbreviations and also include international stitch symbol patterns for the borders/edgings. There are 3 beginner blankets, 9 advanced beginner blankets, 3 easy blankets, and 15 intermediate blankets. Most patterns also include at least 2 more large detail pictures of the blankets. When relevant, an assembly diagram is also included.

10 Granny Squares 30 Blankets ends with a 3-page Techniques section that includes written explanations and photographs for the adjustable (magic) loop, 4 types of seams, and blocking. There is also a pattern abbreviation glossary, an international stitch symbol key, and conversion chart for US to UK pattern terminology.

The patterns use vibrant, contemporary color schemes and the photography is well styled and modern. If you love granny square collections but struggle with matching borders to squares or choosing colors, you'll find a lot of inspiration here. The book is a paperback so it doesn't stay open while you crochet, but there is a lot of eye candy inside so it is definitely worth it.

Full disclosure: A free review copy of 10 Granny Squares 30 Blankets: Color Schemes, Layouts, and Edge Finishes for 30 Unique Looks by Margaret Hubert was provided to me by Quarto. Although I accept free products for review, I do not accept additional compensation, nor do I guarantee a positive review. My reviews are based entirely on my honest opinions.

Nicole says

Interesting designs, I liked how the author showed how color could change the feel of a design depending on what was used. Another book I'll have to buy or borrow again from the library.

Jennifer says

Great way to learn blocks, stitches, how to put them together, color combos, etc. great for beginner or advanced

Gave me basic ideas that I could change around a bit to make brackets that were really me! Must buy

Amie Bjorklund says

I LOVE this book! Am working on one of the blankets now. Look forward to making more of them. This is an easy to follow book of patterns with some great pics and wonderful color plotting ideas.

Linda says

First, this was a Goodreads Giveaway (free copy) for which I thank GoodReads, the publisher and Margaret Huber.

I highly recommend this book for the many new and innovative ideas that a person can use and build on with their own artistic know-how.

For those who may think... seen one Granny Square, seen them all, you may be delighted to see Ms. Hubert's patterns. For me, I fell in love with her edgings which have always been a bit problematic for me.

As the title says, 10 Granny Squares, 30 Blankets, so there is plenty of choice and lots of fun ahead for you.

If you are a novice, you are included in the patterns and even the intermediate ones can be followed easily enough.

I look forward to referring and using these patterns many times.

Brenda Hoffman says

I like the way the book is arranged. I am not a crocheter but there were some color designs, I liked that. I received as goodreads.

Ivana says

Requested this book from my Mom for Christmas. It's a lot better than I thought it would be. The selection of patterns is good, and I love how she shows the same squares in different colors, and designs. I only wish I could have gotten some yarn for Christmas as well.

Tammy says

I reviewed this on my blog: <http://knittwhisperer.blogspot.com/20...>

Tina says

I really enjoyed the concept of this book! You learn how to make one beautiful granny square and then have the ability to create a few different and very stunning afghans. The granny squares were all lovely and ranged from easy to advanced. The instructions were accompanied by a visual stitch chart too- which as a visual learner, I always find helpful. If you like this, I recommend checking out Margaret Hubert's similar book, "10 Granny Squares 30 bags."
