A Weaver Holiday Homecoming

Allison Leigh

A Weaver Holiday Homecoming Allison Leigh

After Mallory Keegan's sister died in childbirth, the grieving doctor vowed to do one thing: find her niece's father. Mallory never expected her long search to lead her to Weaver and its most mysterious resident, Ryan Clay. Brooding, elusive Ryan was an unlikely dad for little Chloe...and unexpectedly set Mallory's blood burning with desire.

Ryan had always lived a life of secrets, but learning he was a father took even the former undercover agent by surprise. More shocking was how strongly he felt about his newfound daughter—and the sparks that simmered between him and Chloe's tantalizing aunt. They were turning out to be the best Christmas gift he had never imagined....

Laurie Stoll says

I love these books that I call "no brainer" books. I mean no disrespect to the author at all. Stories like this are light reading, easy to pick up and easy to put down. I enjoyed this story more than most because it was a lot more contemporary than many others I have read.

Jodi says

I keep loving this series and was so glad to finally have Ryans story

Jen says

Meh, I guess I'm not in the mood for a schlocky romance, complete with a charming little scamp of a kid, bringing her mom and a moody "man with a mysterious past" together for the holidays. I always keep cheesy romances by my bed so I can read a chapter or two before I go to sleep if I want to read. I choose cheesy romances because it's easy to pick up where you left off after weeks of not reading it, they are light and fluffy so not overly taxing while drifting off to sleep and I usually can put it down after a few chapters, where one of my regular books will keep me up until I finish the book, making it very difficult to get up for work the next day. It's not overly bad, but I guess I just have to be in the mood for it. Going to move on to the next.

Teresa says

4 stars. Ryan Clay has returned home after five years and his family thinking he was dead. Dr Mallory Keegan and her daughter Chloe have come to Weaver to cover for the regular Obstetrician, but does she have another resin to be there. Ryan is a broken man after working undercover for HW will Mallory be able to truly bring him home to his family. A really heartwarming story. Good read.

Linda says

A very good read, sweet romance with a hint of heat and it does have that HEA that I HAVE to have in my romance novels.

"A Family For The Holidays"

After Mallory Keegan's sister died in childbirth, the grieving doctor vowed to do one thing: find her niece's father. Mallory never expected her long search to lead her to Weaver and it's most mysterious resident, Ryan Clay. Brooding, elusive Ryan was an unlikely dad for little Chloe...and unexpectedly set Mallory's blood to

burning with desire.

Ryan had always lived a life of secrets, but learning he was a father took even the former undercover agent by surprise. More shocking was how strongly he felt about his newfound daughter - and the sparks that simmered between him and Chloe's tantalizing aunt. They were turning out to be the best Christmas gift he had never imagined..."

I have this book listed over on www.paperbackswap.com.

Andrea says

I thought this was a really good book, I laughed and cried. I would love to read the whole series from the 1st book to the last!

Spencer says

Ambercrombie!

Patricia Solla says

This story has a young woman coming to a small town where she believes the father of the child her sister gave birth to is living. This was a good Christmas story as it even opens with an act of kindness by the child who has no idea about what her act of kindness is going to lead to.
