Baby Come Back

Andrea Smith

Baby Come Back Andrea Smith
Book #3.5 Baby Series (Novella)

'Baby Come Back' is the final installment in the 'Baby Series'. This novella follows Trey's brother Tristan and Ty's best friend Gina. It is written from Gina's point of view, providing insight into her past and secrets that she has shared with no one.

Unfortunately, events unfold which force Gina to come to terms with unresolved issues from her past that have hindered her ability to love and trust unconditionally. Tristan also has something to share with Gina as their relationship reaches a new level.

This story overlaps with 'Baby Love' (book 2) and 'Be My Baby' (book 3). It mainly focuses on the events of Gina and Tristan, but manages to shed light and further clarify Trey and Ty's story, wrapping up the series about the Sinclairs.

Kaycee ♥? says

Before anything else, I would strongly advise you to read the first 3 books in this series to fully understand this one, and of course not to miss out on Trey and Tyler's love story because it was good as this one... even better!

It's been a while since I've read the b Baby Series but I still clearly remember about Gina and Tristan. ***Baby Come Back*** is the final installment in the Baby Series. I have been looking forward to reading Tristan and Gina's book from the very beginning. And as usual, I devoured it! Ms. Smith has a way of painting a story that just sucks you in for the get go!

Ever since meeting Gina in book 1, I have loved her character. She is one tough cookie. Funny, sweet, quirky and she isn't afraid to stand up for herself and for those she loves. My heart broke for her when I read everything she'd been through. It explains her issues and insecurities when it comes to a relationship. And I found myself rooting for her and get her much deserves happy ever after with Tristan.

Tristan was such a great guy. Yes, there was a time that I wanted to hit him in the face for what she did to Gina, but once he came to his senses, he did make up to her. Big time! What is it about these Sinclair men? They were absolutely freaking *swoony*!

There are a lot of things I love about this book. I loved Tristan and Gina's relationship. The chemistry between them was freakin' off the charts. Sex scenes were absolutely scorching hot! I also loved that the author didn't just focus on Gina and Tristan's relationship but she also focuses on Gina and Tyler's friendship. .

All in all, ***Baby Come Back*** is a wonderful conclusion to a fantastic series. It was a complete roller coaster of emotions! And I so freaking loved the epilogue!

I will surely miss Trey, Tyler, Gina and Tristan!

Wendy ?: ♦●•CCBH Blogger•●♦ says

This novella was brilliant! It wrapped up the series nicely. It was **sassy, fun, sexy, dark, angsty, & filled with happy moments.**

The novella focuses on Gina, Tylar's BFF. Light is shed on Gina's rough & dark past & we finally get to see Gina & Tristan together through their POVs.

Tristan Sinclair is Trey's 2nd eldest brother. He's in his 40s & he resembles Trey so much with the exception that Tristan has piercing green eyes. He's charming, gorgeous, sexy, protective, possessive, laid-bad, playful, & rather successful.

Gina Valenti is the corky, East coast bad-ass chick from Jersey we've meet in book 1. She had to deal with a dark past, which explains why she has issues & insecurities when it comes to relationships. Gina is sassy, strong, beautiful, loyal, & outspoken.

I loved that Andrea didn't just focus on Gina & Tristan but she also focused on Gina & Tylar's friendship. We get inside Gina's mind about Tylar's loss, heartbreak, & struggle from book 3. Andrea has shown in this novella that **through thick & thin friendship can overcome anything.**

"That's what BFF's do, Gina."

"I love you, Ty."

"I love you too, Gina."

Overall, I really loved this novella. It was fun, humorous, & truly the perfect ending to Gina's relationship with Tristan & her friendship with Tylar. **So please before you read this novella you must, must, must read books 1-3 in the series.** Thank you Ms. Smith for an amazing series; I bow down to you!

Shantal (VERIFIED BOOK LOVER) says

Still couldn't stand GINA ! Oh well

Still a pretty good series

3 stars

What can I further say..... I have no further words

What a brilliant wrap. This short amazing novella was written from the point of view of Tristan and Gina. The more I read the more I am in love Gina and Tristan! Everything you need to know why Gina was the way she was is answered here! My darling Gina!

The emotion throughout this series was simply perfect!!!!!!

Trey, Tylar, Tristan and Gina will bring the best of adventures. One of my favourite series!!!!

ALL YOU HAVE TO DO IS START READING THIS SERIES AND BE READY TO BE BLOWN AWAY

A British salute for Andrea!!!! You are brilliant, wicked and amazing!

You just keep me going!!! Bring on **NIGHT MOVES**

Donna ~ The Romance Cover says

Baby Come Back by Andrea Smith

3.5 stars!

“It seemed like there was always someone nearby wanting to piss on my cornflakes.”

I loved seeing the background into the enigma that was Gina. We didn't really understand her through books 2 and 3 and this novella is where all the blanks are filled in.

We eventually get to hear her back story and at times it is not pleasant but it does go some way into making you understand why she is who she is. It is just up to Tristan now to help her forget and heal. During this story, despite the ups and downs you get to see that he is doing a really good job of it by the end!!

“Oh God,” he rasped, his voice was now thick with emotion, “I love you, baby. You're my life.”

It was great to be reminded of the goings on that happened in books 2 and 3 from a different perspective, although these were not in depth you still got the opinions and it was intriguing to say the least. Gina is quite a complex character and it was great to understand her train of thought behind some of the things she did and said in the previous books.

Tristan is totally adorable, (although he doesn't hold a candle to my Trey) it does take him time to sit back and digest and think things through but once he has dealt with things mentally he just throws himself back into the ring and deals, conquers and saves!

“That would mean it was truly over and it couldn't be. My mind was screaming, “Baby Come Back!””

This was a great wrap to the series and I loved the epilogue, we still got to see glimpses of Trey and Tylar and the others which made my day. I think this story needed to be told and was glad that Andrea did. It made me understand Gina so much more and I can now actually relate to her, whereas before that was always a bit difficult.

I actually would have liked to read a bit more on these two, I felt some things were introduced and finished a bit too quick and so for that reason I have given it a 3.5 but I have loved this series so much. I cannot recommend it highly enough. Whether you read the full version or the Lite version you will not be disappointed especially if you are a sucker from romance books like I am.

Kim says

4 Stars!

I love Gina and Tristan. Period.

This book is told in Gina's POV and it is 202 pages of greatness! As the reader, we are able to understand why Gina is so feisty, insecure and closed off. She has been through hell and back *secretly* and no one knows except her and the person who put her through it.

It wouldn't be a series by Mrs. Smith without sex, steam, heartbreak, drama and makeup. I've said it before - Andrea can write in such a way that she literally brings the reader to engage 100% with the book and we can feel everything the character is going through.

We reflect back to Ian, 'the rebound ex' as well as Gina's 1st boyfriend, Nick, or as I like to refer to as the asshole. When we reflected on Nick, I was so upset! Having a boyfriend who uses, lies, manipulates and does the unthinkable is actually reality for some girls. When it's your first love, you don't know any better; you make excuses and wear blinders. Thank God Gina is a strong girl and moves on. Unfortunately, it was with her 'rebound ex' Ian, which we know from previous books, does not work out. It is not until she meets her Knight In Shining Armor, Tristan, that her happy ever after can come to light. I love reading about their road to togetherness, baby Reese, their family, their friends and their undying passion and love. The last 20% of the book is a complete rollercoaster of emotions! I absolutely love that Tristan saves her. That did me in! *Swoon!* The Epilogue was fantastic and I love the change they made for their future.

This series is ahhh-mazing! A must read for sure! A happily ever after series of perfection!

Lana ✨❄️Dirty Girl Romance❄️✨ says

3.5 stars

Tristan had been the one to teach me about love and intimacy; he'd been the one to show me how to trust again.

A wonderful conclusion to a fantastic series. Baby Come Back Lite is a novella told from Gina's POV.

I have loved Gina's character from book one. She is quirky, funny, tough, and isn't afraid to stand up for herself and her friends. She was an amazing friend to Tylar, and their friendship is what endeared me to her from the get go.

Tristan has also been a huge favorite of mine throughout the series. He has a very quiet intensity to him. I think maybe that's why I enjoyed his character as much as I did. He was a bit like the yang to Trey's ying, maybe? Well whatever the reason may be, Tristan was great.

I have been looking forward to reading Tristan and Gina's book from the very beginning. Perhaps this was why this didn't become a 5 star book for me? I think I set my expectations too high. There were a few things that I was looking forward to reading, that didn't happen in the novella. I was really hoping to get Gina's perspective on how her and Tristan got together. I know this was more or less covered in book 2, but I guess

I just wanted a little more. But that's really just my own biased opinion and not a reflection on the book or the writing at all. The book itself was great.

I will say this, Andrea Smith definitely knows how to hit the reader where it hurts, and she certainly doesn't pull any punches. When she gives us Gina's deepest and darkest secrets and past, she doesn't hold back. Some of it was very hard to read for me, my heart just broke for what she has been through. The way that she had persevered and was such a strong heroine in the end just made me like her more.

The story takes up right around the time where Tristan finds out about Gina's pregnancy "secret." We get to find out more about Gina's past, as well as Tristan's and what experience had really scarred him in relationships. Tristan and Gina were both very real characters, they weren't perfect, and I liked that. They both made their share of mistakes, but it was wonderful to see them work through it and the way that they did it.

I am not sure why exactly, but for some reason Tylar seemed to get on my nerves in this book. I found her irritating in the first half of book 1, until she grew on me. But in this book, perhaps because we didn't get her POV, she just came across almost selfish and whiny at times. Meh. *shrugs*

This was a quick and entertaining read. I finished it in one sitting.

Many of the characters from the last book made an appearance...including Amber

And Libby

But all that was made better by Tristan and Gina together.

This novella might have been short in comparison to the other books, but it packed a punch. Almost sad to see this series come to an end now. But what a ride!

★★★★! The Baby Series, book 3.5. Gina's POV giving of us both insight into Gina and also shedding light on events from book 2 & 3 PLUS even more twists and turns.

If you haven't read the Baby series book 1-3. Please do so first. Not only because this book is a sequel and very much tied into the people/events of the rest of the series, but also because this series is as good as it gets and you would truly be missing out if you didn't read it!

Hero: Tristan James Sinclair/Trey's older brother/43 years old/club owner-vineyard owner/dark brown hair/green eyes

Heroine: Gina Marie (Valenti) Hatton/Tylar's best friend/31 years old/divorced/club owner/strawberry blond hair/brown eyes

Gina, Gina! We got to know her as Tylar's best friend, the spunky, vivacious, very strong, larger-than-life, and queen of comebacks from book 1 through 3. This is her story.

Baby Come Back is told from Gina's POV. Story opens up right after she discovered that she was pregnant and follows her through events of book 2 and 3 and beyond. It is a wonderful wrap up to series with further explanations into events as well as insight into Gina. Set against the backdrop of her reminiscing about her first love delving into issues that ended up shaping her personality and changing her future.

As mentioned it runs parallel to book 2 and 3 so we are recognizing many events, but with the added benefit of Gina's POV. As it turns out there were many things that had transpired that we were not aware of because the previous books were told from Ty's POV. For example, you may have noticed that in book 3 though Gina played a prominent part, you could sense a distance between Gina and Ty. This story will explain it all! This book is plagued by old and NEW villains set on stirring up some major drama, but also offering clarity into old events.

My only regret is that story wasn't just a little longer (sigh!). I am sad that series has come to an end = (And also; My heart broke all over for Ty, having to relive some of the tragedies from previous books. Which just goes to show how much this series has impacted me!

It was simply wonderful to get to know not only more about Gina's background, but getting into her head, her thoughts and emotions. She is truly a 5 star heroine.

Though we get to follow Tristan and Gina, it is Gina's story and we are not privy to Tristan's thoughts or many more details of his background. But Tristan has been an integral part of this whole series. Therefore I am easily and happily rating him a 4.5 star hero. He is very much Trey's brother, though slightly more mature, so in control, dominant, successful, with the Sinclair good looks of course, but not as hot headed as his baby brother.

Andrea Smith is a spellbinding story teller. I stayed up all night glued to the screen reading. She has excellent writing skills, great dialogue and she is so very, very witty!!! She has managed to create an array of amazing, very different and simply unforgettable characters; Trey and Ty, Tristan and Gina long before they even met and we also have the rest of the Sinclair clan and of course several villains. The plot has been a less common approach of the H/h coming together and then we get to follow them in their relationship.

In my book The Baby series will go down as one of the best series ever written. Thanks Ms. Smith!

"I can't feel anything," she said, a look of disappointment crossing her features. She was now resting her hand on my belly waiting.

Just then I got another round of vibrations from my silver bullet compliments of Tristan. I squirmed around in my chair.

"Is it moving again? I can't feel it."

"Okay. I've got to get up and walk this off," I said, taking her hand and removing it from my belly. I got up and walked over to the chair she had just vacated, shooting Tristan a dirty look..."

Julie Healey says

Andrea has done it again. Baby Come Back was an awesome addition to the Baby Series. It provided details into Gina's and Tristan's story. It offered more insight into the past of Gina and the difficulties she has experienced with intimacy. It also provided more of an insight with Trey and Tylar, more so with Tylar. It also gave the other books in the series more closure. In terms of Amber. That was a surprise I wasn't expecting and Andrea was full of surprises with this one.

Overall, the series is a great series and hope there is more to come. If not, I'm pretty satisfied with the series if it has come to a close.

SueBee★bring me an alpha!★ says

★★★★! The Baby Series Lite, book 3.5 of 3.5. Ty's friend, Gina's POV giving of us both insight into Gina & also shedding light on events from book 2 & 3 plus adding even more twists and turns!

"I climbed up onto Tristan and we spent the next hour rubbing oil onto each other and riding the slippery slide into our own special fuckfest."

Baby Series Lite is a newly edited and revised Anniversary edition of last summer's Baby Series. The author listened to reviewers' feedback as well as readers who were holding back on reading due to its length. In Baby Series Lite you will have the edited down version of same story, plus bonus chapters and bonus epilogues.

Baby Series Lite (book 1-3) is the epic family saga about Trey and Tylar and their extended and growing family. **Baby Come Back Lite (book 3.5) is the continued story about Tristan, Trey's brother and Gina, Ty's best friend** but also includes the Sinclair's. Since there is a mystery to be solved it's critical that these books be read in order, and as a set:

Maybe Baby Lite (book 1)

Baby Love Lite (book 2)

Be My Baby Lite (book 3)

Baby Come Back Lite (book 3.5)

Baby Series Lite - *Omnibus to be released in late September*

Baby Come Back Lite (book 3.5/novella) is told from Gina's POV. Story opens up right **after she discovered that she was pregnant and follows her through events of book 2 and 3 and beyond.** It is a wonderful wrap up to series with further explanations into events as well as insight into Gina. Set against the backdrop of her reminiscing about her first love delving into issues that ended up shaping her personality and changing her future.

As mentioned Gina's story runs parallel to book 2 and 3 so we are recognizing many events. As it turns out there were **many things that had transpired that we were not aware of** because the previous books were told from Ty's POV. **Baby Come Back Lite is plagued by old and NEW villains set on stirring up some major drama, but also offering clarity into old events.**

Tristan James Sinclair/43 years old/club owner-vineyard owner/dark brown hair/green eyes.

Tristan Sinclair, Trey's older and very laid-back brother makes for an excellent hero. Six words to describe **Tristan: Mature, relaxed, playful, charismatic, in-control and successful.**

Gina Marie (Valenti) Hatton/31 years old/divorced/club owner/strawberry blond hair (colored brown)/brown eye.

Gina Hatton, Ty's spunky best friend and Trey's play-foe. It was simply wonderful to get to know not only more about Gina's background, but getting into her head, her thoughts and emotions. Four words to describe **Gina: Loyal, smart, strong-minded and elusive.**

Excellent story telling! Memorable characters! An engaging, humorous and very sexy read! The perfect ending to an epic series about Trey and Tylar Sinclair and Tristan and Gina Sinclair! Thanks Ms. Smith.

"If I thought Mom and Dad wouldn't be looking out the window to see what had delayed us since driving up a few minutes ago, I'd definitely take you right here and now."

Crazy for Books (Stephanie) says

I loved Tristan, but almost wished he's have ended up with someone else. Gina made me angry with how treated Tylar. Yes, Tylar was more focused on her own life than her friends. That's because her life was a tragic mess. Even when she didn't know what was coming. Tylar tried to tell her she wasn't feeling well and that this woman from her husbands office was all over her. But, not Gina could only focus on the fact that Tylar wasn't jumping up and down about every little milestone in her pregnancy. Gina should have known something wasn't right and I wished she'd been a bit more contrite when Tylar lost Marley, Trey cheated on her and then was hit by the crazy woman. But she still could only think about herself.

I liked that this book gave me a little more insight into what was going on in books #2 & #3, coming from a different prospective. But I didn't like Gina so that's why I only gave it 4 stars.

Still all in all, this series ROCKED!

figuranta♥?addicted♥?to♥?books♥? says

3 stars

Linda says

'Baby Come Back' is a novella to the *'Baby Series' trilogy*. This story is told from Gina's point of view during the time period through book 2 'Baby Love' and book 3 'Be My Baby.' I absoutley love Gina! She is a feisty Italian, loud mouth, strong woman. I really enjoyed getting to know her and seeing things through her eyes. The story gives the readers insight into Gina's past. The book also follows Gina and Tristian's relationship.

Carla ?Did I Say That? says

Loved this book...as always when I read a Andrea Smith book, I'm sad its over...One of my favorite series! :)

Christy says

Baby Come Back is from Gina's pov. The story line is basically the same as books 2 & 3 in the baby series, but you get a different insight on everything. It was great to see what was happening through another pair of eyes, and seeing things from a fresh perspective.

We all know Gina and Tristan's relationship starts off a little rocky. There are some trust issues there. It takes them a while to find their happy place.

I'm not going to go into the story line too much, if you've read books 2 or 3, you know the gist of what happens. What you don't know is a lot of Gina's backstory, as well as some of Tristan's. Gina's story broke my heart. I get her now.

?Gina has always been okay to me. I've liked her well enough. I liked her character so much more in this than I did in the first three books in this one, and I just love her with Tristan! What is it about those Sinclair men? Tristan is just wonderful!

This novella was a nice way to wrap up the series. Not only do we get to see things unfold with Tristan and Gina, we get to see more Trey and Tylar. The epilogue was awesome. For fans of the Baby series, I recommend!
