Ame says

Props for bringing back Jughead's cousin, Bingo, back into the fold. I haven't seen him since I read an old stash of comics from the '70s.

Rachel says

Piecing together the pieces of the puzzle. Really digging this story.

Krissy says

What's with all the "Cousin Betty" and "Cousin Bo" junk? Just drop the cousin prefix already!

Amber says

I just realized this title is only 3 issues long, for what could've been an EVEN COOLER SERIES AHHHHH

Well, anyways, very good. It's gonna get worse before it gets better.

? Dianna ? (mylifeasannaidreading) says

I kinda wish this is the plot for Riverdale. XD

Rainey says

I'm just not appreciating the way the characters have been changed to try to make the story work.

John Shaw says
