Merry Me Frankie Love

I first met Holly when we were sixteen years old.?

She was sugar, I was an effed up version of spice.?

I wasn't good enough for her — but damn how I wanted her.Heartbreaking circumstances pulled us apart and it's been years since I've seen her angelic face.?

But I could never forget her.?

She was my first kiss and I want her to be my last.?

When I come back in town, things have changed — she's moved on.

But I have one intention — prove to her I can be the mountain man she needs.?

I'm holding out for more than a Christmas miracle.?

I'm going to get myself a Christmas bride.

Angelia says

I give this book 4 stars. The storyline between Holly and Hunter was well written. They have a second chance will Holly take it. I recommend this book. I voluntarily reviewed this Advanced Readers Copy of this book.

Jan says

A second chance romance with a Christmas theme.

Hunter left 5 years ago leaving his teenage love, now he's back to pick up the pieces only Holly seems to have moved on.

A short, second chance romance which is super quick. A pleasant read.

Merry me is one of 16 Christmas themed books a written by different authors. Each a stand alone and purchased separately.

Merry me is a short story that is a part of the Santa's coming series. This story is short, fast paced and a nice read. I read this book in one sitting and was satisfied throughout. I liked Hunter. Hunter and Holly were once in love. Hunter was Holly's bad boy; he was also her foster brother. Hunter soon realised that he needed to change. He needed to find out who he was and what he wanted. Five years later and he's back. Hunter is determined to get the woman he loves back. Holly loves Hunter but she's in a relationship with someone else. When her feelings become too hard to ignore, will she give the man she loves a second chance. I liked both hero and heroine. I liked that they had a past together. I liked that Holly didn't push Hunter away. I didn't like Truman. He came across as smug and smarmy considering he was a preacher. I am glad that he didn't take over the story.

The storyline for this book is easy to follow and it is a nice read.

Stories in Review says

He was gone for 5 years. Seems like he stayed celibate. She had a boyfriend of 6 months when he come

back. He did kiss her before she broke things off with the boyfriend. It was an ok read.

Norma says

What a treat we got with this Christmas short! It is passionate and intense! Filled with Christmas magic, this story will leave you tingling in all the right places. A story of love between teenagers blossoming into the real deal as the main characters meet after the years it takes them to grow up, Merry Me to a romance to read while trying to get those last minute details checked off for list. It's a great escape that can be read while relaxing with a glass of wine after the kids are in bed! Merry Christmas to All!

Second chance at ♥?

Why do second chances melt my heart? Holly & Hunter fell in love as teens. She the preachers daughter, him the foster kid from the wrong side of the tracks. Hunter left so Holly could do what she needed to do & he could become the man she deserved. Now he's back to claim what's his & the HEA

The Santa's Coming Short Story Collection are short, romantic, sexy stories full of Christmas Magic from different authors. They're perfect to sit, relax & read with a cup of hot cocoa or a glass of wine after a long day of stress or holiday shopping. They'll make your heart grow three sizes ?

Stephanie Tynes says

Frankie has a way of writing the sweetest books in the world. Holly and hunter meet at a young age, go their own ways, and find each other again. Hunter knew who he wanted and knew what he would have to do to get her. Holly is doing what she thinks she should do, instead of what she wants. This is the perfect book to get you in the holiday mood.

I voluntarily reviewed an Advanced copy of this book.

Oh, ack, nope. Merry Me was pretty bad.

The Gist: Holly's working a Christmas event and the bad boy from her teenage years who skipped town for 5 years...has shown back up. And...orgasm and marriage.

Yeah. I mean. I guess if you like ridiculous reunion romances where the heroine multiple years later is still a virgin because she was "waiting for him" even though he ghosted her and they make out even though she's got a long term boyfriend, have quickie sex and get engaged like 12 hours after they've met again (and she has no idea where he lives, what he does, or who they've each become)... it's a great read.

Izzie d says

Sweet story.

The heroine does have a boyfriend who wants to marry her but she's not really happy.

For the safety gang, heroine kisses the Hero before breaking things off with her current boyfriend but says it shouldn't go any further til things are sorted.

HEA.

Epilogue, 1 year later.

Merry Me by Frankie Love

Wow this was a sweet read Holly and Hunter were perfect for each other since they were young. Holly did have a boyfriend but she broke it off before things got further with her soulmate Hunter. This was such a fun read of two lovers reuniting after a long time. My honest opinion I fell in love with the story and recommend this holiday-themed romance.

Hazel says

Hunter returns to Mistletoe after 5 years ready to claim what is his, Holly Saint Claire.

Holly is overwhelmed with emotions and memories as she stares at Hunter. Why is he back now, after all these years of not one word?

The chemistry is still alive and well between Hunter and Holly.

Since Hunter lived in the house with Holly and her father as a foster child he still has items at the house which she kept when her father passed away therefore making the house hers.

Holly's current boyfriend appears as they are going down memory lane with the items in the box a surprise happens when jealousy rears it's head and she makes a confession to Truman.

This love story is heartwarming and reminds us all that true love doesn't die and Christmas is a time for miracles.

phoebess says

It was really short and sweet but maybe because of that, I couldn't get into the story. When I was finally starting to, a weird plot twist threw me off and I didn't have time to get back up.

Nova says

This is an extremely short read perfect for a lunch hour.

Hunter is back in town after a five year absence and he is back for one reason and one reason only to claim the girl he left behind. There has been nothing but regret since the day that he left Mistletoe and the only girl he ever loved but after the words spoken to him on her father's death bed he knew he needed to go out in to the world and become worthy of her. He's ready to claim Holly forever but she has moved on now he knows he has to fight for the love that he knows they both still share.

Holly was devastated on the same day she lost her father and the love of her life walked away from her. After Hunter lost his mother he moved in with her and her preacher father and Holly lost her heart to him forever it's been five years since the day he left town and she has tried to move on but now he is back Holly knows she never really moved on she was just waiting for him but now he's back will he stay forever of leave her to rebuild her heart again ?

Very enjoyable read.

Beth C. says

Short, but so sweet.

Such a sweet story! Childhood friends and high school lovers separated because of her father's dying wishes. But both Holly and Hunter grew up and when reunited, realize their feelings haven't changed. But there are some obstacles to them being together. Maybe a Christmas miracle will help them find true love.
Loved it!
