The Cop Cara Summers

Off-duty detective Nik Angelis is the first on the scene at a wedding gone very, very wrong. The only witness is the caterer, a fiery redhead named J. C. Riley, who's eager to make her statement. So eager, in fact, Nik can't help thinking of other things she could do with her mouth...

Sassy, smart-mouthed J.C. is in serious danger, and she knows it. She needs Nik's protection. But what she wants is his rock-hard body.

Nik aims to be professional, but "Bodyguard with Benefits"? A man can take only so much—.

Lovely series! This second book, The Cop (Tall, Dark...and Dangerously Hot!) in my humble opinion didn't have quite the sizzle as The P.I. And alot of this story was a review of the first book. I think I would have liked this story better if it didn't take place at the same time as the first story. I guess The Defender (Tall, Dark...and Dangerously Hot!) will probably be the same time frame also, but I'm still anxious to start it! The Angelis boys ROCK!!!

Full review to come.

I am so back logged on reviews, but lately I have just wanted to read, read, read and not be bothered with reviewing. So, I imagine I will get back to it eventually, But for now I'm going to read another book instead.

I liked it just fine. It obviously wasn't great literature, but I wasn't expecting it to be. I left it for my mom to read when we left her house at Christmas. She just finished it and I have to be completely amused at her take on it. She says "It was like reading a screen saver."

This is the second in a trilogy about three brothers of Greek heritage. I did not realize it was a trilogy when I bought it, otherwise I would have started with book one *The P.I.*

With that said, you could easily follow the story, although it did seem a bit rushed to me in parts. The sex was hot (as if I would read a romance without that!), as the lead characters Nik Angelis and Jude Catherine (J.C. for short) Riley worked together to solve the mystery of who was trying to kill J.C. while at the same time falling in lust, and eventually love.

The third novel *The Defender* is out in August, and will wrap up the secondary mystery storyline as well as having Nik's brother Theo find his true love.

I made the mistake of reading The Defender (Theo's story) halfway before I realized it was part of a trilogy

and Nik's book is the second ...and I don't even have The P.I. - the first book!

Wow. Nik is one hot cop. It's a pity this Cara Summers' Blaze trilogy features mediocre sex scenes because if any hero deserved hotter pages, Nik does. The sexual tension starts early and as soon as Nik lays eyes on J C Riley. I liked that JC is comfortable with her attraction to Nik despite the fact that their first meeting is anything but romantic. It's a pity Summers did not take advantage of Nik's sexiness and J C's sassiness where sex is concerned or I'd have had a keeper on my hands.

Still, The Cop was a much more enjoyable read than the last book, The Defender, because Nik and J C were a more interesting couple than Theo and Sadie. There was a chemistry between Nik and J C that I did not perceive between Theo and Sadie. Both books ran at a good pace and while the Angelis trilogy isn't gripping romantic suspense, it's not bad at all.

That said, I don't intend to buy The P.I because while I liked the Angelis brothers well enough, I don't think the story itself is substantial enough to make a good trilogy. I'd rather read a different Blaze with spicier scenes and completely different characters. Two Angelis books is enough because the books are still about each brother's romance but having it connected to the same event ends up giving it a sameness such that it feels like I'm reading one book about brothers and their girlfriends. Two of them is enough and Kit somehow didn't attract me enough to even buy his book at the start.

B336 Jul07 Lots going on, with twists and turns, so glad I read "The P.I." 1st in the series Tall, Dark and Dangerously Hot series. Detective Nic Angelis is first on the scene of a wedding gone wrong. Man killed, priest shot, wedding party missing, man out cold from a fall from a balcony, and the caterer the only witness, J.C. Riley. She can id the man, "Snake Eyes" who shot the priest. Nic's boss assigns him as bodyguard to protect C.J.
