The Desire Map Planner from Danielle Laporte 2018 Daily (Charcoal & Gold) Danielle LaPorte Created by Danielle LaPorte, bestselling author and member of Oprah's Super Soul 100, The Desire Map Planner is for women who want to put their soul on the agenda. What I will do to feel the way I want to feel...is the daily declaration you make with this planner. And with fresh daily Soul Prompts like, "What do you want to revolutionize?" "How do you want to feel in your body?" and sections for Gratitude notes and a weekly Stop Doing List -- this planner is where inner attunement meets outer attainment. And it's unlike anything on the market. Over five million people a month head to DanielleLaPorte.com for her advice and daily #Truthbombs. The Desire Map Planner Collection already has a raving fan base of women who want an agenda that includes all of who they are, not just another to-do list. The planner collection is based on The Desire Map book which sold over 140K copies in US & Canada, is translated into eight languages, and evolved into a journal series, a top 10 iTunes app, and a workshop curriculum with hundreds of licensed facilitators in fifteen countries. Like the popular Day Designer, The Desire Map Planner is lush, well-designed, and intuitively laid out to maximize efficiency, organization, and intentional time management. Both the Daily & Weekly editions come in simple charcoal or bright abstract art covers, both with gold foil accents. It's for the busy person who knows that a rich life is as much about being tuned-in as it is about checking off to-dos, who values positivity as much as productivity."
