Arabic For Everyday Use

Yunus Agaskar

Arabic For Everyday Use Yunus Agaskar

Arabic is no longer the language of a few nomadic desert tribes, but the lingua franca of one of the richest and fast developing regions. For the large number of job seekers going to the Arab countries, some working knowledge of the language and its grammar has become a must. This book, designed as a simple course, includes phrases for everyday use and should prove invaluable for those sojourning Arab lands.

Just want I needed

I use this book as a guide when I am doing my homework. It is very helpful especially the verb conjugation and the other rules the book goes over.
